**PRONTO!**

Após a criação da conta, o seu acesso estará vinculado ao seu usuário.

The background features a dark, almost black, field with a subtle, intricate pattern of light gray lines and dots. These elements form a network-like structure, reminiscent of a molecular model or a data visualization, with various geometric shapes like triangles and polygons connected by thin lines. The pattern is more dense on the left side and fades towards the right.

**Obrigado!**
