

2026 WCI Lodging Policy

The **Triple Crown West Coast Invitational** is a **Stay to Play Event**. Triple Crown Sports (TCS) works with a wide variety of lodging partners in our tournament locations to secure team friendly properties with competitive rates for all participants and to ensure sufficient rooms for all attending teams.

To be scheduled to play in this event your team must fit into one of the following 3 categories (by **May 18, 2026**):

1. Teams are **REQUIRED** to book via our convenient online EventConnect lodging platform. This will automate and simplify booking rooms (minimum requirement is **24** total room nights per team). You do **NOT** need to report your rooms on the TCS website.
2. Local teams within **80** miles of Salt Lake City will be exempt. Our online lodging software uses zip codes to automatically mark teams local, so no exemptions needed. You will likely still get a lodging email with a link so you can access our great rates if needed.
3. Out-of-town teams that wish to stay outside of the TCS lodging options, such as campgrounds, RV parks, VRBO, etc. OR doesn't meet the minimum lodging requirement of **24** total room nights per team are required to pay the Lodging Surcharge of **\$1,000 per team** on the event website.

Each club will receive a welcome email from EventConnect that includes a custom booking link for your teams. For this event, teams will be placed into hotels in phases based on registration date, number of teams, and distance traveled. Once the initial placement process is complete, general access to all partner properties will open through EventConnect.

Your custom link provides 24/7 access for you and your families to book at our partner hotels and track reservations for reporting purposes. It's important to share this link promptly with your team manager and families, as bookings cannot be made without it. While hotel availability and rates can be viewed anytime via the event website under Lodging Partners, this section is view-only and does not allow for reservations.

***Any reservations made through third-party providers (e.g., directly with the hotel, Hotels.com, Expedia, Hotwire, Hotel Planners), using reward points, or booked outside the TCS room block will not fulfill the lodging requirement. In these cases, the lodging surcharge will apply or your team will not be scheduled into the event.
