

LNG ENERGY GROUP PROVIDES UPDATE ON PRIVATE PLACEMENT FINANCING

Not for distribution to United States newswire services or for dissemination in the United States

July 28, 2026 – Toronto, Ontario – LNG Energy Group Corp. (TSXV: LNGE) (TSXV: LNGE.WT) (OTCQB: LNGNF) (FWB: E26) (the “**Company**” or “**LNG Energy Group**”) announces that the partial revocation order issued by the Ontario Securities Commission (the “**OSC**”) on April 23, 2026 (the “**First Order**”), terminated on July 22, 2026. As a result, the Company remains subject to the failure-to-file cease trade order issued by the OSC on May 7, 2025 (the “**FFCTO**”) in connection with the Company’s failure to file certain outstanding continuous disclosure documents.

The Company is pleased to note that its previously announced private placement financing (the “**Private Placement**”) has been well received to date, with strong interest and participation from existing and new investors. However, as the Company had not yet completed the Private Placement at the time the First Order terminated, the Company has submitted an application to the OSC for a second partial revocation order to permit it to continue the Private Placement for the purposes of: (i) filing its outstanding continuous disclosure documents, (ii) paying accounting, audit and legal fees associated with the preparation and filing of the relevant continuous disclosure documents, (iii) paying costs and fees associated with the Private Placement, (iv) paying legacy accounts payable, (iv) paying filing fees, including for the application for a full revocation of the FFCTO, and (v) funding working capital and general and administrative expenses until a full revocation of the FFCTO is obtained. The Company looks forward to completing the Private Placement upon receipt of the second partial revocation order. However, the Company cautions that there can be no assurance that a second partial revocation order will be granted by the OSC.

All funds received to date from prospective subscribers pursuant to the First Order will continue to be held in trust by the Company’s legal counsel pending the issuance of a second partial revocation order and completion of the Private Placement.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION:

This news release contains “forward-looking information” and “forward-looking statements” (collectively, “forward-looking statements”) within the meaning of applicable Canadian securities laws. All statements other than statements of historical fact are forward-looking statements, and are based on expectations, estimates and projections as at the date of this news release that reflect the current views and/or expectations of management of LNG Energy Group with respect to performance, business and future events. Forward-looking information can often be identified by words such as “may”, “will”, “would”, “could”, “should”, “believes”, “estimates”, “projects”, “potential”, “expects”, “plans”, “intends”, “anticipates”, “targeted”, “continues”, “forecasts”, “designed”, “goal”, or the negative of those words or other similar or comparable words. Forward-looking statements are based on the then-current expectations, beliefs, assumptions, estimates and forecasts about the business and the industry and markets in which LNG Energy Group operates, in light of our experience and perception of historical trends, current conditions and expected future developments, as well as other factors that we believe are appropriate and reasonable in the circumstances, and that while considered reasonable, are subject to known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those expressed or implied in the forward-looking information. There can be no assurance that such statements will prove to be accurate, and accordingly, readers should not place undue reliance on the forward-looking statements contained in this news release. LNG Energy Group does not undertake any obligation to release publicly any revisions or updating any voluntary forward-looking statements, except as required by applicable securities law, whether they change as a result of new information, future events or otherwise.

This news release includes, but is not limited to, forward-looking statements relating to: the timing, terms and completion of the Private Placement, the use of funds from the Private Placement, the Company preparing and filing all outstanding continuous disclosure documents, and the Company applying for and receiving full revocation of the FFCTO. Forward-looking statements in this press release are based on certain assumptions, namely: the ability of the Company to continue as a going concern, the ability of the Company to complete the Private Placement, the ability of the Company to use the funds from the Private Placement as intended, the ability of the Company to prepare and file all outstanding continuous disclosure documents and the Company’s ability to apply for and receive full revocation of the FFCTO. Forward-looking statements address future events and conditions and therefore involve inherent risks and uncertainties, including, but not limited to: the inability of the Company to obtain a second partial

revocation order of the FFCTO, the inability of the Company to complete the Private Placement, the inability of the Company to obtain approval from the TSX Venture Exchange, the inability of the Company to use the funds from the Private Placement for the intended purposes, the inability of the Company to prepare and file all outstanding continuous disclosure documents and the inability of the Company to have the FFCTO fully revoked. The Company's actual decisions, activities, results, performance, or achievement could differ materially from those expressed in, or implied by, such forward- looking statements and accordingly, no assurances can be given that any of the events anticipated by the forward- looking statements will transpire or occur or, if any of them do, what benefits that the Company will derive from them.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
