**"I FEEL WE ARE STILL A LITTLE WAY FROM WHERE WE WANT TO BE IN TERMS OF PATTERNS, HOWEVER, WE KNOW THAT OUR FINAL THIRD ENTRIES ARE HIGH WHICH IS VERY ENCOURAGING."**

Good afternoon and a very warm welcome to Meadowbank! Let's hope that the weather is kinder to us this afternoon after the deluge last Saturday! I would like to extend a warm welcome to the management, players and officials of Bath City FC, who have made the long journey across from Somerset for today's National League South fixture. We wish you all the best for your visit to Meadowbank.

We return to National League South action this afternoon to face a Bath City side who sit in 12th place, one point above us. Jerry Gill will be buoyed by their emphatic win last Saturday in the FA Cup and always puts out a strong side. We will show Bath respect this afternoon. Last Saturday, we played our FA Cup 3rd Qualifying Round match in conditions more akin to a monsoon. The pitch look liked a padding pool. Who could have predicted the Referee asking myself and Scott Bartlett, the Weston Super Mare Manager, if we wanted to continue the match as the pitch was becoming waterlogged? Such was the rain last Saturday afternoon at Meadowbank. I must say that Scott and the Weston Management Team showed great sportsmanship being down to 10 men and losing 1 nil to agree to playing on. A huge thank you also to all our wonderful fans for singing in the rain throughout the match. We all appreciated your support and look forward to the next round which we have reached for the first time in our history.

The lads put in a good performance against a well-drilled Weston team and we fully deserved the win and ultimately, progress to the 4th Qualifying Round for the first time in our short history. We should have been out of sight in the first half having created so many chances. I feel we are still a little way from where we want to be in terms of patterns, however, we know that our final third entries are high which is very encouraging. My biggest disappointment is the injury to Slav who showed what a warrior and team player he is by carrying on after he sustained his ankle injury and pulling off so many saves. Slav's mentality is what we are all about.

Enjoy the game!

**"TODAY IS A CHANCE FOR US TO GET OUR LEAGUE FORM BACK ON TRACK AND START PUTTING POINTS ON THE BOARD AND PUSHING TOWARDS WHERE WE WANT TO BE."**

Good afternoon Wanderers fans,

Welcome back to Meadowbank for our National League South fixture today.

What a great, but very wet, Saturday last week in the FA Cup Third Qualifying Round here at Meadowbank. It was a very good victory to put us into the Fourth Qualifying Round, where we got another home draw, against a very strong Hayes & Yeading team. A place in the FA Cup First Round is up for grabs!

For today's game we would like to welcome everyone from Bath City to Meadowbank and wish them a safe journey this afternoon.

Today is a chance for us to get our league form back on track and start putting points on the board and pushing towards where we want to be. Bath City are a very good, organised, team with some excellent players.

We have worked hard this week in training with and without the ball. As a team we have to be more ruthless in both boxes. With the confidence and quality we have in our squad we know we will start getting the right results.

I'd like to thank you all for your support once again last week as you made a real difference and gave us that motivation to

get over the line. We hope all our supporters enjoy today's game.

Up the Wanderers!  
Baz

## MATT BRIGGS MAKE HIS 200TH APPEARANCE + WANDERERS SIGN NELSON

Achievement Unlocked! Ahead of kick off last Saturday there was a moment of appreciation and applause for Wanderers winger Matt Briggs, making his 200th appearance for the club in starting last week's FA Cup game against Weston Super Mare.

Matt has been a crucial part of Dorking Wanderers rise the last few years and is in his 7th season with us at Meadowbank. Matt was born and raised in Tyneside and is a graduate of the famous Wallsend Boys Club and Blackburn FC. A pacey winger, feared by full backs, he has a great goal scoring record with many important match winning strikes since his arrival and has been part of 2 promotion winning squads.

Congratulations Matt!

Slav sustained an ankle injury in last week's FA Cup fixture against Weston Super Mare which has sidelined him for one month. We wish Slavomir all the best with his recovery and hope to see him back out on the pitch in the near future.

Therefore, Wanderers have signed goalkeeper Stuart Nelson on a season-long deal.

The 40-year-old keeper registers at 6 ft 1 in and has previously played at Brentford, Leyton Orient, Aberdeen, Notts County, Gillingham, Yeovil Town and Crawley Town

Stuart goes straight into the squad for today's game.

Welcome Stuart!

KEALY 14'

-

0

Dorking booked their place in the 4th Qualifying Round of the FA Cup for the first time in their history, defeating Weston-Super-Mare FC at a drenched Meadowbank. Callum Kealy's second goal in the competition was enough to secure the win on a day where Slav Huk battled through first half injury to not only finish the game but also collect the man of the match award, as the contest itself became perilously close to being abandoned late on as the heavy rain showed no sign of letting up. Wanderers had just started to make inroads venturing into the Weston attacking third, they got reward in the 14th minute. Briggs showed quick feet to shift the ball forward and surged towards the penalty area, from a central position he slid the ball into the path of Kealy who showed good composure to guide the ball beyond Kie Plumley and into the back of the net. The breakthrough spurred Wanderers on, and in the ensuing minutes they put 'The Seagulls' penalty box under serious pressure. McShane and Prior had quick-fire shots closed down very close to goal, before Kealy came mighty close to getting his second in as many minutes, striking the cross bar.

Midway through the half Huk went up to challenge for the ball in an aerial dual with Weston skipper Nick McCootie, the keeper coming off worse with an awkward landing on his ankle. After several minutes of treatment, and talk in the stands of which outfield player might have to potentially don the gloves, Huk was deemed ok to play on, despite visibly struggling with his weakened foot. In the run up to half-time Wanderers went even closer to doubling their advantage, Briggs playing a neat one-two with Fuller down the right before having his shot deflect for a corner. Prior then did brilliant to angle his neck and meet the resulting delivery with a header, but no one could get on the ball as it came back across the six yard box. Wanderers got back in the groove straight after the restart, Josh Taylor having a header well saved by Plumley, before Prior drove an effort just wide of the far post.

Into the final ten minutes the Weston attacking third was becoming increasing sodden as the rain continued to fall hard, Wanderers task of trying to kill the game off made all the more tricky. McManus tried to bend an effort into the top right corner after coming in from the left, and at the second time of asking sub Rutherford dug out an effort which was comfortably saved by Plumley. The ball was beginning to get held up on the surface in the late stages, the referee keeping good communication with his assistants and the respective dug out's and despite a couple of consultation stoppages, the game was deemed ok to continue. Wanderers managed to hang on, booking their place in Monday's 4th qualifying round draw for the very first time.

## #HERGAMETOO

One of the things we are keen to do more of at Her Game Too is to champion and feature women who work in football. Visibility of women in sport is essential for growth and we want to show young girls that a career in football is a viable option. We are so excited about our partnership with Dorking Wanderers FC and very grateful to have been given this space in the programme. We wanted to feature the wonderful Kat Browne, Director of Ladies Football and Ladies First Team Manager. Kat also worked in the Post 16 full time academy for 4 years before moving over to the women's game last season! Kat's experiences are not dissimilar to other women in the industry who we have spoken to, there is an ongoing theme that women don't belong, they turn up and the other men 'assume' they are the physio or just in the wrong place! Although I understand football has always been a male dominated environment, I can see a change happening and it would be awesome to see it become the norm to see female coaches, lineswomen and refs at all levels (and be treated the same way their male counterparts are and not be questioned for being there!).

Her Game Too focuses on tackling sexism in the football industry, so I am always really interested to chat with women in football about any barriers they may have encountered on their journey and how they dealt with them. ## IN OPPOSITION **BATH CITY**

**MANAGER JERRY GILL FOUNDED 1889**  
**GROUND TWERTON PARK CAPACITY 3,528**  
**NICKNAME THE ROMANS COUNTY SOMERSET**

Bath, as one of Europe's world heritage cities has a long and distinguished history. Bath City was formed in 1889 and played at the Belvoir Ground in East Twerton until the 1st World War. After this they played at Lambridge (now the site of Bath Rugby club's training ground), returning to their roots in Twerton in 1932. The club has been at Twerton Park for the last 87 years. Originally the Club played in local football competitions, then joined the Western League in 1908, progressing to the Southern League in 1921. City played in the Western section of the Southern League, which they won

in 1929/30 and 1932/33. Post-war the Club won the Southern League championship in 1959/60 and again in 1977/78, when they lost only two league matches during the whole season. In the first championship-winning season, in 1960, the Club played Brighton in the FA Cup when a record 18022 attended Twerton Park. In 1979 the Club became founder members of the Alliance Premier League, now the Football Conference, a league in which they remained until 1986/87. Relegated in that season they bounced back to the Conference two years later. John Relish took over as manager in May

2005 and after coming second in 2006, City emphatically won the Southern League title in May 2007 to earn promotion to the Conference South. Relish left in October 2008 with his assistant Adie Britton taking over. After successive 8th place finishes, City secured promotion back to the Conference National after finishing 4th and winning the play-off final at Twerton Park in 2010. After a 10th place finish in their first season City endured a miserable season only climbing off the bottom of the division with one game to go.

Ryan signed for City in the summer of 2018. He started with his hometown club of Bristol Rovers, but it was at Oxford United that he made his name as one of the outstanding custodians in the lower leagues. **ATTACKER**  
**ALEX FLETCHER**

# JASON PRIOR

## THE BIG READ

JP9 talks about our FA Cup performance and how he is expecting our toughest game of the season so far this afternoon against the Romans.

A widely regarded striker who is starting his 4th season with us, Jason has Football League experience with AFC Wimbledon. He signed for the Wanderers ahead of the 2018-19 season from Havant & Waterlooville, where his 40 goals in 80 games had earned his team promotion to the National League. JP netted 24 times in his first season with us and was just short of that figure in the 2019-20 season. Previously, he played for Merton, Dartford and Bognor, where he had a successful partnership with Rutherford.

**Jason, last weekend we advanced into**

**the next round of the FA Cup with a 1-0 win over Weston Super Mare. What did you make of the performance?**

It was a good performance in tough conditions. On another day we could have won very comfortably, we had plenty of chances, especially in the first half but we defended well and we're pleased to reach the Fourth Qualifying Round.

**What have you made of our form so far this season?**

It's been very up and down aside from the FA Cup. We have had a lot of injuries and ➤

suspensions to deal with which isn't ideal. Hopefully it will improve when we have a settled side.

**Following that victory against Weston Super Mare, we were drawn at home against Hayes & Yeading United on what will be a historic day for the club, what do you make of that draw?**

It's a home draw which is great. Although they're a level below us, they've had a great start to the season and have done well in the early rounds of the competition, most notably beating Tonbridge Angels 5-0, so it's going to be a tough game.

**Is promotion still the target this season?**

Yes 100% it has to be the aim. Whether that's automatic or via the playoffs, it's what we set out to do at the start of the season.

**Bath City's form has dipped slightly in the last few games, currently sitting in 11th position. What sort of game are you expecting today against the Romans?**

This will probably be our toughest game yet. Bath have been strong for a few years and made some good signings over the summer.

**Wanderers fans are back inside Meadowbank on a regular basis. What difference does it make when you have the crowd behind you?**

The fans have been brilliant since they've been back. It makes a huge difference especially when we need to dig in at the end of games like we did on Saturday.

**With most of the clubs in the league adding quality to their squads this season, is the league more competitive?**

It's definitely more competitive this year. A lot of the strong sides from last year have made a lot of good signings so it will be an interesting season.

**How did your move to the Wanderers come about?**

When we were promoted to the National League at Havant, I was busy with work and had our first baby on the way so I couldn't commit to the extra traveling. Then Marc got in touch and told me about his ambitions for the club so it didn't take long to get sorted out after that.

**What would you say is your best trait as a player?**

I would have to say scoring goals.

**What is your pre-match routine?**

I don't really have a set routine. It's usually just eating the same type of food and doing stretches/exercises in preparation for the game.

# LOAN WATCH

**W**e reflect on how members of Wanderers first team squad are doing out on loan in the early stages of the season. **Josh Barnett - Goalkeeper** - Josh joined up with Horley Town ahead of the new campaign for a season long loan, and made his debut on the opening day away at Badshot Lea. Competing in the Combined Counties Premier South Division, it wasn't the best of starts with his new club as they suffered heavy defeats against Badshot and then Kennington in the FA Cup preliminary stage a week later. However, a run of five wins and a draw after that and recent good form has propelled Anthony Jupp's team to 4th place in the league at time of writing. Josh has started the vast majority of games, keeping three clean sheets in the early unbeaten run. Despite the early FA Cup disappointment, he kept another clean sheet and was awarded man of the match when Horley

defeated Banstead Athletic away in the first qualifying round of the FA Vase.

**Cameron Black - Defender** - Featuring throughout pre-season as part of the first team set up, Cameron was given the opportunity to get further game time down the road at Leatherhead, and began a three month loan period at the start of September. It's already proven to be a memorable spell for the defender, making his debut and getting on the scoresheet as The Tanners drew 2-2 in the FA Cup away at Whitstable Town, before just three days later he headed home the only goal of the game to secure victory in the replay! Following a league defeat to Margate, it was swiftly back to FA Cup action, Cameron featuring in the D-D home draw and subsequent away replay defeat to Corinthian Casuals.

**James Dickson - Midfielder** - James signed on for a season-long loan with Isthmian Premier League side Merstham following an 'excellent' (club Twitter account) run of pre-season games for the club, capping the close-season performances with a goal against Whitehawk. The move across Surrey sees the midfielder move up a step from his loan spell at Chipstead FC last campaign. He made his competitive debut in the opening day defeat to Brightlingsea Regent, before injury saw him unfortunately ruled out until the start of September. Part of the matchday squads, James is pushing to get back in the first team plans and has made recent substitute appearances against Lewes and Kingstonian in the league. Despite a difficult run of league form which has 'The Moatsiders' placed in the bottom three of the division at time of writing, they had enjoyed a run in the FA Cup, culminating this past Saturday in defeat at home to Hereford.

**Charlie Hester-Cook - Midfielder** - In good former Wanderers company at Horsham with Sam Howes, Ben Dyett, Tom Kavanagh and Tom Richards, Charlie went on loan with the season just under way as part of the long term plan to build his fitness following injury recovery. Marc White recently confirmed the midfielder will remain on loan with the Sussex side until December. After initially featuring from the bench including his debut against Hornchurch, Charlie has gradually started more games for 'The Hornets' and will be seeking more of the same following confirmation of the loan extension. Like fellow Isthmian Premier side Merstham, despite a difficult league start they have enjoyed a good run in the FA Cup so far, Charlie coming off the bench in the second half as Horsham drew 2-2 with Eastbourne Borough at home, setting up a replay on Tuesday.

**George Membrillera - Striker** - George was on loan with James Dickson at Chipstead last term, and this season joins Horley Town again with a fellow Wanderer, goalkeeper Josh Barnett. In similar fashion to Josh, George has started the vast majority of games so far this season and contributed four goals so far, including netting in the 1-4 victory away at Croydon FC in the second qualifying round

of the FA Vase, and was on the scoresheet this past weekend as Horley defeated Camberley Town 0-3 away from home to continue recent good form.

**Callum Manning [Dual-Registration] - Midfielder** -

It has been confirmed this past week that midfielder Callum Manning, who featured in many of Marc White's pre-season matchday squads, has joined team mate Cameron Black 'down the road' at Leatherhead. Signing on a dual-registration basis, Manning made his debut for 'The Tanners' this past weekend, playing along side Black in a 0-0 draw with Haringey Borough.

# LADIES UPDATE

Words by Kat Browne

**D**orking progressed to the next round of the 2021 Vitality Women's FA Cup thanks to a dominant performance away at Whyteleafe. Being the higher league side, the home side started the game as you would expect, forcing errors from Dorking and trying to get on the front foot. Whyteleafe almost opened the scoring when an awkward cross from the right hand side, level with the 18 yard box, looped up and onto to the crossbar.

From that point forwards though, Dorking got a handle of the game and settled into their usual style of play. Momentum built in the first 20 minutes as Dorking worked their way into dangerous areas, but they were unable to find the final pass. However, they eventually took a deserved lead when Xayla-Rae Alberts strode inside the box and made no mistake in dispatching the ball into the bottom corner on 22 minutes. Dorking then doubled their advantage 5 minutes

before the break when Sarah Chapman made a good run on the left and crossed for the onrushing Ish Zuurmond to power the ball into the roof of the net. 2-0 at half time and Dorking were excellent value for their lead, but knew the third goal was all important in the game and expected an imminent response from Whyteleafe. Dorking's endeavour to apply pressure in midfield ensured this simply didn't happen, and the visitors won every second ball and controlled central midfield. After 70 minutes, the decisive third goal went the way of Dorking, when Charli Blunt was quickest to react and turn in Hannah Thomas's cross from the left hand side. Just 5 minutes later the same players combined again to bring the fourth goal, with Charli Blunt this time controlling Hannah Thomas's cross and despatching the ball into the corner. This was a convincing, authoritative and dominant performance from Dorking, who showed courage and precision against a strong opponent, to make sure their FA Cup campaign continues.
