Temple of Philae, Aswan

The Nile is a repository of stories stretching back millennia. As the world's longest river, it has long been an essential source of life and balance, sustaining one of the great cradles of civilisation.

Travel by land and water through thousands of years of history and culture. Explore the Giza Plateau and the newly opened Grand Egyptian Museum in Cairo. Continue to Alexandria, founded by Alexander the Great and shaped by Queen Cleopatra's legacy, where the legends of the Pharos Lighthouse and the Great Library echo beneath the modern city.

Fly to Luxor to experience the enduring grandeur of ancient Thebes. Board the elegant Jaz Regent and cruise the Nile for four nights, enjoying private shore visits to iconic archaeological sites in Edfu and Kom Ombo. Disembark in Aswan to explore Nubian culture in this serene stretch of fertile land.

In the company of your fellow professionals, make specialist dental visits and hear CPD

accredited lectures from local practitioners and tour leader, Kevin Esplin. Stay in first-class hotels and cruise in style through a destination that can captivate the imagination like no other.

This tour has broad appeal and partners are very welcome.

'A trip down the Nile was always going to be beautiful, but this tour was unforgettable. Thank you!'
