Folkloric parade and dance in Oaxaca

Journey through ancient civilisations, colonial zócalos (town squares) and vibrant communities to uncover the spirit and colour of Mexico in the company of your fellow professionals.

Begin in Mexico City, the world's largest Spanish-speaking city and a cultural trailblazer, where Frida Kahlo, one of the 20th century's most influential artists, found her inspiration. Wander Puebla's Talavera tiled streets and try the comida típica (typical foods) that have earned the city its reputation as Mexico's gastronomic capital. In Oaxaca's alleyways, tucked between imposing Baroque churches, you'll find the heritage of Zapotec craftspeople, radical street art and a mania for mezcal. Then fly to the jungles of the Yucatán Peninsula to discover Valladolid, a designated Pueblo Mágico (magical town).

Trace the story of Mexico through the legacy of its great civilisations. Visit the vast and mysterious pyramid complex of Teotihuacán, the ancient Zapotec capital of Monte Albán, and the astonishing Mayan ruins at Chichén Itzá.

The itinerary combines a rich cultural programme with CPD visits exploring dentistry and oral health. Professional visits range from hospitals and private practices to rural clinics, alongside a visit to the Mexican Dentistry Exhibition at the Museum of University Autonomy.

There is also the option to extend your stay for three-nights in the beautiful coastal destination of Playa del Carmen, where you can enjoy the azure waters of the Mexican Caribbean.

THIS TOUR IS CLASSED AS:

Level 3 | Moderate

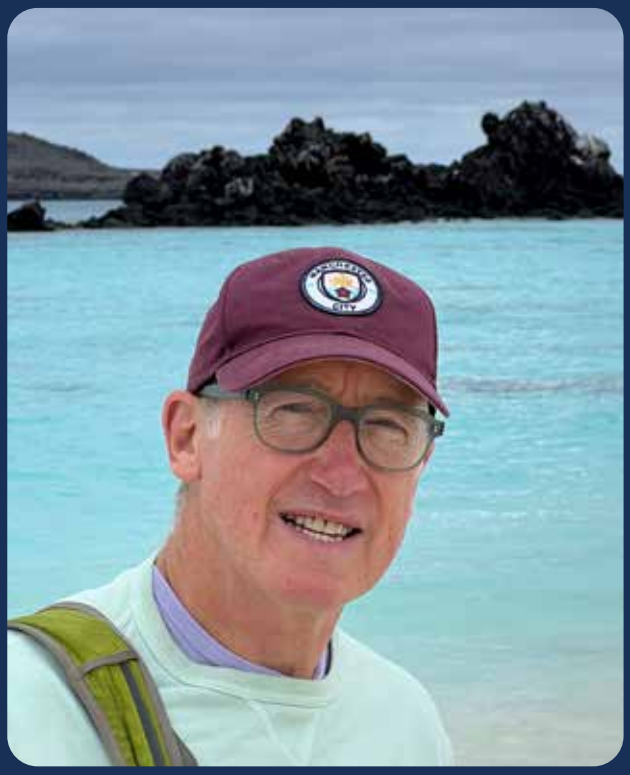

Regular walking at destinations, extended standing and /or increased travel distances. Good fitness is required.
