Taipei Skyline with Taipei 101

A fleck in the shimmering waters of the Western Pacific, Taiwan is brimming with history, and culture and has an appetite for technological innovation that is far beyond what its size might suggest. The island's distinctive identity has been shaped by its indigenous Austronesian population and centuries of settlement and colonisation. Geographically, it is spectacular, with a mountainous spine that runs east of its centre, separating the tropical western lowlands, where the vast majority of the population resides, from the rugged and forested east.

Begin in Taipei, a dynamic capital where modernity, embodied by Taipei 101, rises above the surrounding river valleys and wooded hills. Renowned for its world-class healthcare, impressive high-speed rail network and growing role as an Asian transport hub, the city is also home to vibrant night markets, museums and a buzzing food culture.

Head south to Sun Moon Lake, where mountains, serene waters and lakeside temples create a wonderfully meditative setting, before continuing to Tainan, a city rich in history, and heritage.
The tour also offers the rare and rewarding opportunity to meet and exchange ideas with our dermatology colleagues in Taiwan at the Taiwan Dermatology & Aesthetics Conference, strengthening bonds across borders in the true spirit of The Dowling Club.

For those wishing to extend their adventure spend three nights in the beautiful seaside location of Kenting.

THIS TOUR IS CLASSED AS:

Level 3 | Moderate

Regular walking at destinations, extended standing and /or increased travel distances. Good fitness is required.
