Experience

Fusion Health | **Product Manager**

Jan 2025 - Present

Woodbridge, New Jersey

- **Product Manager & Primary UX/UI Designer – Medications Team**

Currently serve as the Product Manager for the Medications team while acting as the primary UX/UI Designer, leading requirements gathering, defining product scope, and designing end-to-end user experiences for complex medication workflows within Fusion Health's healthcare platform.

- **Cross-Team UX Contributor & Design System Lead**

Currently support multiple product teams beyond Medications while leading Fusion's design system efforts, advancing component standardization, design consistency, and usability across web and mobile applications.

- **Client-Facing Product & Design Partner**

Currently create and iterate on mockups and prototypes, author release notes used for client training, and conduct client-facing and internal demos to communicate product changes, validate requirements, and support successful feature adoption.

HubSpire | **UX Designer + Researcher**

Nov 2021 - Jan 2025

NYC, New York

- **Primary UX Designer and Business Analyst on 9 Mobile & Web Projects**

Led the UX design and business analysis for nine high-impact mobile and web development projects within the past 3 years, ensuring client satisfaction through detailed user research, wireframes, and prototyping.

- **Instructor for Project Documentation and UX Design at NYU**

Virtually led an NYU Capstone class on Project Documentation and UX Design: Wireframes, sharing best practices in UX design and documentation to future UX professionals.

HubSpire | **Graphic Design Intern**

July 2021 - Nov. 2021

NYC, New York

- **Managed LinkedIn Social Media Presence**

Oversaw the company's LinkedIn profile, crafting engaging posts to build brand awareness and strengthen client engagement.

- **Led Design for Pitch Deck Presentations**

Created visually compelling pitch decks for design and development projects, ensuring presentations effectively communicated project goals to clients and stakeholders.

- **Collaborated on Wireframes and Prototyping with Senior Designer**

Supported the Senior Designer in creating low-fidelity wireframes, updating designs, and developing prototypes, enhancing the workflow for client projects.

- **Assisted International Project Managers with Design Updates**

Coordinated closely with project managers across international teams to deliver timely design updates and maintain alignment on project objectives.

RWJ Fitness & Wellness Center | **IT Support**

June. 2021 - Nov. 2021

Old Bridge, New Jersey

- Proactively assist members with any issues and inquiries in person and over the phone.
- Used 'Compete' cloud based management software; Front Desk and Back Office to manage member's profiles and sensitive data.
