

2026 TCS Lodging Policy

The Triple Crown Sports Southeast Nationals is a **Stay to Play Event**. Triple Crown Sports (TCS) works with a wide variety of lodging partners in our tournament locations to secure team friendly properties with competitive rates for participants and to ensure sufficient rooms for all attending teams.

To be scheduled to play in this event your team must fit into one of the following three categories 30 days prior to event.

1. **Booking Requirement:** Teams are REQUIRED to book lodging using your custom team booking link to our EventConnect lodging platform. This will automate and simplify booking and reporting your minimum requirement is **10** total room nights per team. You do NOT need to report your rooms on the TCS website.
 2. **Exemption for Local Players:** Local Teams within a **80** mile radius will be exempt. The system automatically identifies local teams using registered zip codes, eliminating the need for waivers. You will still get a lodging email with a link so you can access our great rates if needed.
 3. **Option for Out-of-Town Teams:** Teams traveling that wish to stay outside of the TCS lodging options, such as campgrounds, rv parks, VRBO, etc. can apply (with proof of alternate lodging) to pay the Lodging Surcharge of **\$500** on the Triple Crown event website. This provides flexibility for teams with specific accommodation preferences.

Upon registering and paying for an event, each coach will receive a welcome email from EventConnect with your team custom booking link. This link will give you and your families easy 24/7 access to book our partner hotels as well as track them for reporting purposes. You can view availability, and rates at any time via the event website under LODGING PARTNERS but it is view only not booking.

It is easy to block, share and book! If you choose to all stay at the same hotel you, your manager, or a parent can easily HOLD a block of rooms for 10 days where each family can BOOK into. Individual families can also choose to stay at a different hotel on this list that best meets their needs, and their room nights will automatically be counted under your team.

***Any reservations booked through a third party provider (i.e. directly with the hotel, Hotels.com, Expedia, Hotwire, Hotel Planners) or using reward points or booked outside of the Pathway room block will not fulfill your requirement and require the lodging surcharge to be paid or your team will NOT be scheduled into the event. ***
