

TRIBUTE TREE AGREEMENT

PRICE

\$3,500 per tree

DESCRIPTION

This tribute opportunity supports the care and maintenance of a designated tree within the Krippendorf Arboretum and the Nature PlayScape at Rowe Woods. A limited number of trees are available for designation, helping Cincinnati Nature Center maintain its accredited arboretum status while preserving and enhancing this special landscape. This gift provides recognition and care for a designated tree for a period of 10 years, beginning on the date the commemorative plaque is installed.

TRIBUTE RECOGNITION

Each Tribute Tree includes one metal plaque placed at the base of the tree. Up to two lines of text are permitted. Example:

In Honor of / In Memory of
First Name Last Name

TERMS BETWEEN CINCINNATI NATURE CENTER AND DONOR(S)

- This contribution provides recognition for a designated tree for a period of 10 years, beginning on the date the commemorative plaque has been placed. It does not convey ownership or control of the tree.
- Designated trees will be cared for and maintained as part of the Krippendorf Arboretum. At the end of the 10-year period, donors will have the opportunity to renew their commitment for an additional 10 years. If the commitment is not renewed, the tree may be reassigned.
- As living elements in a dynamic, four-season environment, trees are subject to natural conditions. If a tribute tree is lost due to disease, weather, or other natural causes, Cincinnati Nature Center will transfer the tribute designation to a comparable replacement specimen for the remainder of this agreement.
- As the arboretum is a dynamic landscape, Cincinnati Nature Center reserves the right to modify or discontinue this tribute opportunity at any time.
- To preserve the natural setting, designated trees and surrounding areas may not be decorated or adorned with flags, flowers, or other memorial items.
- All proceeds from the Tribute Tree program support the care and maintenance of the Krippendorf Arboretum, as well as broader conservation efforts at Rowe Woods and Long Branch Farm & Trails, including the planting and protection of trees.

AVAILABLE TRIBUTE TREES

Common Name	Scientific Name	Status	Location
Sugar Maple	<i>Acer saccharum</i>	Sold	Arboretum
Pawpaw	<i>Asimina triloba</i>	Sold	Arboretum
American Hornbeam	<i>Carpinus caroliniana</i>		Arboretum
Bitternut Hickory	<i>Carya cordiformis</i>		Arboretum
