

2026 Virtual Prayer Vigils

Gather online with us, our anti-trafficking agency partners, and many others from around the nation for two special times of prayer over issues of Human Trafficking. These vigils will be a great time of connection, creativity, and inspiration as we come together to pray all kinds of prayers for the issues, and the end of modern day slavery in the US.

1. January 11th at 7pm - National Human Trafficking Awareness Day
