Franklin County 4-H & FFA Market Animal Sale

The annual 4-H/FFA Market Animal Sale will be held on Friday, August 15th, in the livestock auction arena at the Franklin County Fairgrounds at 4:30 p.m. Preregistration for buyers will begin at 3:30 p.m. at the sale table.

*******Market Animal Rules*******

1. To be eligible to sell an animal at the Market Animal Sale, members of 4-H clubs and FFA chapters of Franklin County MUST reside in Franklin County for six months prior to the fair. The market animal must be housed in Franklin County after the beginning weigh-in.

2. Any use of drugs or substances not approved and labeled by the FDA is strictly prohibited. The use of tranquilizers, sedatives or depressants are not allowed. All 4-H/FFA market animals may be subject to testing for substances that violate the standards established by the FDA, FSIS, USDA, and/or EPA. Any violation results in the member's forfeiture of any premium, award, and/or auction proceeds, and will be prohibited from further participation in the Franklin County Fair 4-H/FFA Livestock Events. The use of approved drugs, including antibiotics, must be recorded in the record book. Exhibitors are responsible for ensuring that any drugs administered to market animals meet the withdrawal period prior to sale day. Grand and Reserve champions for market beef, lamb, swine, and goat may be tested for illicit drugs immediately following the market class for the respective species.

CARE OF ALL LIVESTOCK ANIMALS WILL BE CONSISTENT WITH PRODUCTION PRACTICES AND ACCEPTED STANDARDS. EXHIBITORS MUST OBSERVE WITHDRAWAL PERIODS AND BE AWARE OF PENALTIES ASSOCIATED WITH OFF-LABEL USE OF ALL DRUGS.

3. Each 4-H/FFA member whose animal does not make weight is encouraged to show their animal in the fitting and showing class and turn in a completed record book. This will complete their project and make members eligible for boost money.

4. Each 4-H/FFA member must show his/her animal in both Showmanship and Quality Classes to participate in the Market Animal Sale. The 4-H/FFA member is also expected to be present for the Market Animal Sale. Members who cannot be present for the sale may have an alternate show their animal in the sale but will be fined a 10% penalty of the sale price for their animal. Fine proceeds will go to the Franklin County Market Animal Sale Committee to support Franklin County 4-H/FFA Livestock Program. Dismissal of an animal at the show or sale is at the discretion of the species superintendent. In the event an animal dies, the member should contact the Extension office to determine what is required to finish the project.

5. 4-H/FFA members must wear a plain white button-up shirt with a collar and a 4-H patch on the left shoulder or an FFA jacket and nice jeans or slacks at the Shows and Sale. Patches will be available for purchase at Extension Office. NO shorts or tank tops will be allowed.

6. Record Books: 4-H members are required to submit completed online record books. Online record books must be completed with the exception of information needed from the sale by Monday, August 4th. No sale money will be awarded unless they are completed and submitted.

7. A member may only sell one market animal, whether beef, swine, lamb, meat goat or bucket calf at the Franklin County Fair. Members need to declare what animal they are selling 2 hours after the last quality class of the day. The grand and reserve champions ARE REQUIRED to sell and will be sold first. In the event a member wins grand or reserve champion in multiple species, that member must select which animal to sell. Their other champion animals will be recognized during the sale but will not be allowed to sell.

8. Members may show/sell an animal until the calendar year in which they turn nineteen.

9. Each 4-H/FFA member is required to have a brand inspection slip or bill of sale for each beef animal (including bucket calves) at the beginning and final weigh-in.

10. All beef must be secured with a substantial halter and rope in assigned stalls. No pens will be available for beef. Other market animals will be assigned pens by club and chapter at the fair. Clubs and chapters are encouraged to decorate their area.

11. Exhibitors are to provide their own feed and bedding. All animals must be clean and well groomed. Members and their parents are responsible for cleaning in and around the stall area, as well as exhibiting and caring for their animals until they are removed from the fairgrounds on Sunday. Stalls must be kept clean, and livestock must have sufficient food and water provided at all times. Animals will be loaded Sunday morning. **Violation of this rule will result in a \$30.00 fine for each occurrence and will be withheld from livestock checks.**

12. Stall clean up must be completed between Sunday 8:00 am to Monday 6:00 pm. No one will be allowed into the stall area to clean until all animals have been removed from the fairgrounds, or upon species superintendent approval. **NO EXCEPTIONS! Fine for not cleaning your stall will be withheld from livestock checks.**

13. Leader's responsibilities:

- A. Assist with club and fair activities.
- B. Assure that the record books are completed and submitted by the Friday following the sale.
- C. Make sure club members have cleaned stalls/pen after animals are removed from fairgrounds.
- D. Make sure thank you notes to buyers are written and taken to the Extension Office with postage for verification. **The thank you notes will be sent from the Extension Office.**

Yearly 4-H enrollment fees are to be paid at the Extension Office prior to entry weigh-ins. There will be a \$10.00 fee per animal, charged at each species beginning weigh-in. Leader and member enrollments are due as soon as possible but no later than July 1 of the current year. A commission fee of \$25.00 will be deducted from the sale price of each animal to enable the Market Animal Committee to pay for sale expenses. A brand inspection fee will be deducted from beef and bucket calf checks if necessary. Members who cannot be present for the sale may have an alternate show their animal in the auction but will be fined a 10% penalty of the sale price for their animal.

18. Livestock checks not cashed after 90 days from issue will be voided.

19. All entries are accepted with the understanding that neither the fair board nor the livestock committee shall be held responsible for any damage or loss that may occur to personal property or livestock on exhibit or for sale. Checks will be distributed Friday, October 17th.
