

Building Literacy for English Learners

Learn SEAL's proven, hands-on approach that integrates literacy, language and content learning.

K-6 Educators, Coaches
and Administrators

You'll walk away with:

- ✓ Ready-to-use literacy strategies for immediate classroom impact
- ✓ A grasp of how SEAL's approach builds stronger readers, writers and thinkers
- ✓ Strategies that support growth in both English and students' home languages

A One-Day Learning Experience for Educators

This interactive professional learning day is designed for **educators new to SEAL** who want to strengthen literacy instruction and better support English Learners.

Participants will:

- **Explore the Five Themes of California's ELA/ELD Framework**, grounding their practice in research-based principles.
- **Experience SEAL's comprehensive and integrated approach** where literacy, language and content are intentionally woven together.
- **Learn and practice three high-leverage strategies** that can be applied immediately into the classroom:

➤ **Deconstructing Text**

➤ **Vocabulary in Context**

➤ **theDictado**

What to Expect

- Hands-on learning and collaboration
- Video examples and classroom samples
- Opportunities to explore, practice, and make meaning of each strategy
