

SERVICE YOU CAN TRUST

Lamination Expert

Dear, Valued Customer

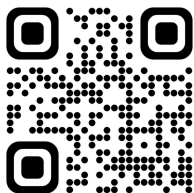

We have a new and exciting service program to offer you for your lamination room! **PICARD**care will have a lamination specialist present, on-site every 6 months to perform the following:

- Detail audit report with executive summary, current state and recommendations
- Perform audit of caul plate condition
- Perform audit of separator plate condition
- Test all caul plates with certified **PICARD**care GO and No-go Gages

Part of our mission at C.A. Picard North America, Inc. is to make it as easy as possible for you to do business with us. Call us at **269-962-2231** and we would be happy to assist you. Optimize your lamination room today to maximize your profitability!

Best Regards,

C.A. Picard Inc.
