LETTER FROM THE BOARD

The meaning of life, so wise and true,
Is to find your gift, and give it too.
Our doctors, fellows, nurses all,
Who answer each and every call,

Beneficiaries crafting art so bright,
Bringing vision, hope, and joyful light.
From tricycles built to homes designed,
Safe spaces where children are able to unwind.

Winemakers too, with passion pure,
Offer fruits of labor that endure.
Forty-five of you have come this way!
Helping us celebrate this special day.

Our donors who stretch, who give and try,
Lifting us all to reach the sky.
Through your gifts, our mission thrives,
YOU ALL make this event truly come alive.

A TumTum tree, our symbol, strong,
Offering shelter where children belong.
They weather the storms, they find their peace,
In a world where battles barely cease.

So, raise your glass and lift your paddle,
Together we'll fight the childrens' battles.
Forty-five vintners, sixteen teams,
Tonight, we hope to fulfill many dreams.

BID HIGH, BID OFTEN!

ABOUT THE ARTIST AND THE COVER PHOTO

Lowell and Janet Herrero first became aware of the TumTum Tree Wine Auction (then Magic Moments) through mutual friends and TumTum supporters, Ann and Dick Grace of Grace Family Vineyards in Napa. Dick introduced the Herreros to TTTF founders Susan and Tom Curtin in the hope that a piece of Lowell's art would become part of the live auction offerings and the Herreros would attend.

That introduction became the foundation of a deep personal friendship between the Curtins and Herreros and a longtime commitment to the TumTum Tree Foundation. In recognition of this friendship, Lowell and Janet donated works for 17 years. In addition, Lowell's evocative and captivating images provided catalog cover art and branding for 14 years. *Man with a Goose* continues this beloved and happy tradition! Enjoy!

JIM CLENDENEN LIFETIME ACHIEVEMENT

On behalf of the TumTum Tree Foundation, we are excited for the third year of the Jim Clendenen Lifetime Achievement Award, honoring our dear friend, Jim Clendenen of Au Bon Climat. Jim led by example and was a tireless fundraiser for numerous charities throughout the country. Peter Thompson of Andrew Geoffrey Vineyards said this about Jim, "He taught me the importance of using our platform as vintners to help those in need and that it was our social responsibility as vintners to participate with and support the charitable organizations, like the TumTum Tree Foundation, who raised and distributed funds to those in need."

TUMTUM TREE FOUNDATION
JIM CLENDENEN
LIFETIME ACHIEVEMENT AWARD

The Jim Clendenen Lifetime Achievement Award will be awarded each year to a vintner chosen by the Board of the TumTum Tree Foundation who exemplifies the lifetime commitment that Jim demonstrated as an example for other vintners and wineries in raising funds for those in need financially, emotionally, and medically.

Escape to the scenic serenity of Napa & Sonoma wine country for an unforgettable adventure with Peay, Fisher, and Kistler Vineyards. This extraordinary lot accommodates two (2) couples for three (3) nights with three (3) tastings, a lunch, and a private chef dinner.

Your luxurious trip begins at the beautiful, Michelin-starred Madrona Manor in Healdsburg. Named one of Travel + Leisure's best new hotels of 2023, this beautifully appointed hotel features just 24 rooms alongside an exceptional dining experience.

The next morning, you will head to Fisher Vineyards' original Mountain Estate for a VIP tour, tasting, and picnic-style lunch with the Fisher Family. Founded in 1973 by Fred and Juelle Fisher – and now led by three siblings of the second generation – Fisher Vineyards has been dedicated since its inception to producing estate-grown wines from both Napa Valley and Sonoma County. Blessed by significant contributions over five decades from several of California's great wine talents (including Paul Hobbs, Mia Klein, David Abreu, Aaron Pott, and Adam Goodrich), Fisher Vineyards currently offers nine estate-grown, small-production bottlings each year. We look forward to welcoming you!

Next, you will attend a private tasting at Kistler Vineyards' Trenton Roadhouse in Forestville. Your private tasting begins with a glass of Chardonnay to enjoy while you stroll through the Russian River Valley vineyard. Then, you'll be seated in a private space to learn the history, winemaking, and site-specific focus while enjoying a side-by-side tasting of 3 single vineyard Chardonnays and 2 single vineyard Pinot Noirs. Your tasting will be accompanied by shared light bites created by some of our favorite local chefs, featuring seasonal ingredients that highlight the wines. After the tasting, each couple will choose a bottle of their favorite (from the tasting) to take home.

On the morning of the third day, you will then head out west to the rugged and remote West Sonoma Coast for a visit to Peay Vineyards majestic hilltop estate vineyard. Upon arrival, Andy will pour you a glass of their racy, unique Viognier, and you will walk out to the knoll and bask in the glory of the coast. Your walk will end on the front porch of the 120 year-old farmhouse for a private tasting of current and library wines with Andy Peay, owner of Peay Vineyards. While chatting on the porch and gazing at the stunning view, you will nibble on cheeses from renowned cheesemaker, Andante Dairy, and salumi from Journeyman meats, both Sonoma artisans making world-class products. WE NEVER DRINK ENOUGH KRUG OR DUJAC, RIGHT?

Pat Miree has once again convinced Wimberly to make a little space in the cellar, so how about these beauties for starters? Begin your large dinner party with three bottles of chilled Krug Grande Grande Cuvée (161st Edition), described by one pundit thusly. "The harmonious juxtaposition of creaminess and lees enrichment with bright, juicy citricity and of expansive richness with levity is stunning (95 points)." This edition is an assemblage (44% Pinot Noir, 37% Chardonnay, and 19% Pinot Meunier) based on the 2005 harvest, complemented by 32% reserve wines—a blend of 134 wines from 12 different vintages dating back to 1990. Speaking of classics, the 2004 Dujac Clos de la Roche Grand Cru has shed its early tannic robe and smoothed into a beautiful, supple, red-fruited wine that is drinking beautifully now but will hold for several more years. Try pairing it with duck, game or some Wagyu beef.

PASO CAMARADERIE - EXPERIENCE THE SPIRIT OF THE PASO ROBLES WINE COMMUNITY

Have you ever daydreamed about moving West and becoming a winemaker? This incredible getaway will give you a taste of just that – the care, love, skill and time that goes into making some of Paso Robles' most celebrated wines. Six (6) guests will embark on a journey that includes three (3) nights of luxurious accommodations in Paso's Willow Creek District. Indulge in two (2) days of exquisite wine tasting with three members of the renowned "French Mafia" – L'Aventure, Clos Solene, and Benom. Savor the flavors and learn the secrets behind these extraordinary wineries.

First join Guillaume Fabre, owner and winemaker at Clos Solène, for their most exclusive private experience: "A Taste of the Terroir." This unique opportunity includes tasting barrel samples with Guillaume followed by a Polaris tour of the stunning, estate vineyard showcasing their premium blocks as you truly experience farm-to-glass.

Then join Benom owner Arnaud Fabre for a tasting of wines created with brother and co-owner Guillaume. For the Fabre brothers, who hail from six generations of French winemakers, coming to Paso was as much about wine as it was about love. The wines they create together at Benom are an eclectic blend of craft, tradition, and varietal access available thanks to Paso's unique terroir. Arnaud will lead you through a comparative tasting of current and library wines with some additional pours coming from his import company Procure Wines.

The third part of this incredible trio is L'Aventure, where you will begin your visit by enjoying a glass of champagne (yes, champagne) while you walk through the caves to your private tasting room. Hear the story of how maverick winemaker Stephan Asseo from Bordeaux brought his family to Paso Robles while you taste a flight of wines from both current and past vintages. Then enjoy a fabulous lunch prepared by the in-house Hospitality team and paired with champagnes and wines. While we also love wine – TumTum and its partners never forget to include great food! This lot also includes a dinner at Les Petites Canailles. Chef & Owner Julien Asseo, son of Stephan Asseo, opened his restaurant in November 2019 and it quickly became the place to be for locals and in-the-know visitors alike. With multiple awards and mentions from Wine Spectator, the Michelin Guide and Wine Enthusiast, Chef Julien and his wife Courtney are not just raising the bar, but setting the standard, for hospitality and culinary achievement on the Central Coast.

A final night of dining will be arranged for your group either at your home, or at one of Paso's stellar new restaurants. Either way we know the chef, and you won't be going to bed hungry!

A STUNNING MASTERPIECE FROM BILL HARLAN

We'll leave this write-up to Mr. Parker (June 2012). The only adjective he didn't use was "hedonistic."

"The extraordinary Harlan Estate, which I awarded 100 points seven years ago, offers no justifiable reason to doubt its perfect score. It is still a baby, with an inky purple color and notes of smoky camphor intermixed with creme de cassis, Asian soy, and a hint of cedar beginning to emerge as well as some espresso and subtle damp forest floor notes. The wine has awesome intensity, a full-bodied mouthfeel, a skyscraper-like texture, and a finish that goes on for close to a minute. This is a perfect wine, still youthful and young, and not even in full adolescence as of 2012. It has 40 or more years ahead of it but should hit its plateau of full maturity in another 5-10 years. It is certainly one of the most showy, flamboyant, and remarkable Harlan Estates made to date." Kudos to Bill Harlan! (RP)

DAVID REYNOLDS FUND-A-NEED MEMORIAL LOT PRESENTED BY O'NEAL NEXTGEN FUND

The Alabama Center for Childhood Cancer and Blood Disorders is the state's only comprehensive pediatric hematology-oncology center, and they are committed to a cure. They are the single largest provider of specialized pediatric services in Alabama for all forms of Cancer/Leukemia, Brain and Spinal Cord Tumors, Sickle Cell Diseases, Hemophilia, and other bleeding disorders. Each year, more than 190 children are diagnosed with cancer in Alabama. There are approximately 2,000 patients treated with serious blood disorders, including sickle cell disease and hemophilia, who receive care from the center each year. It is hard to believe that in 2003 when our auction first started raising money dedicated to providing 1 hematology-oncology fellow to this division, the department had no fellow. These fellows not only save lives and provide improved treatment opportunities for Alabama's children they also do major national and international research to advance treatment in the field. Since 2003, our auction has donated well over $2,000,000 to this program. Many of the diseases treated by these physicians were incurable only a few years ago, but with recent breakthroughs in research and treatment, most of the patients treated in the Division of Pediatric Hematology and Oncology now fully recover. The research is incredible: they are conducting the first-ever pediatric brain tumor trial using the genetically altered herpes virus G207. Your donation can help us continue this progress and provide the funding to help the Children of Alabama who need these treatments and to further advance research into treating and curing these diseases. Please raise your paddles. This is your opportunity to make a difference!

Insider Information: Additional revenue after funding two (2) fellows will be dispersed amongst TumTum Tree's remaining beneficiary partners.

PRIVATE IN-HOME WINEMAKER TASTING & CELLAR SELECTION WITH ADRIAN JEWELL MANSPEAKER

Indulge in the unique opportunity to take yourself and your guests through an exclusive tasting experience in the comfort of your home. Owner and winemaker Adrian Jewell Manspeaker will travel to any US location with a curated selection of Jewell Wines for up to twenty five (25) guests and lead you through an unforgettable evening delving into the world of viticulture, oenology, and the transformation of world-class Chardonnay and Pinot Noir from grape to glass.

After almost two decades of winemaking experience, Adrian founded Jewell Wines to craft a selection of cuveés and single-vineyard Chardonnay and Pinot Noir, only three to five barrels at a time. By challenging himself to source the greatest fruit from sought-after vineyards in the Russian River Valley– typically reserved for the big-name, old-guard producers– Adrian works hand-in-hand with well-regarded farmers to unearth the potential in each grape.

Inspiration for Jewell Wines stems from Adrian's daring ancestors as he forges a new path in winemaking with the family name. Joseph Jewell was an intrepid entrepreneur in the early 1700's operating a transport ferry from Charleston to Boston and, later on, grist mills in New England. The next two centuries tell the pioneering story of the Jewell family's adventures as they migrated across the American west, eventually settling in Humboldt County, California, where Adrian was born and raised.

Humboldt is a patchwork of micro- climates that reflects the variety of challenges and rewards of winemaking. It's a down-to-earth place that's deeply embedded in every aspect of Adrian's being. When he began making his own wines in Russian River Valley, he recalled the ideal foggy weather and redwood trees of his childhood and decided to revisit his old stomping grounds in Humboldt County in search of vineyards.

Today, Adrian is the first and only winemaker to nationally distribute word-class Humboldt County Chardonnay and Pinot Noir outside of California. Alongside the Russian River Valley wines, critics have highly appraised these small-lot gems helping to draw attention to this undiscovered wine- growing region in California.

THE MEETING OF MOUNTAINS. ELEVATION.

Cornell Vineyards stunning views above the Sonoma region of the Mayacamas Mountains exhibit elevations reaching up to 1,900 feet. Founded by Henry and Vanessa Cornell in the early 2000s, Cornell Vineyards began as a vision to create wines that reflect the rugged beauty and unique terroir of their mountain estate. Cornell's wines, primarily estate-grown Cabernets, are known for their depth, elegance, and distinctive minerality, with layers of dark fruit, earth, and spice that evolve beautifully over time.

Andrew Geoffrey Vineyards is a boutique winery situated high on Diamond Mountain in Napa Valley, known for its limited-production, high-quality Cabernet Sauvignon wines. The vineyard sits at an elevation of around 1,800 feet, which provides unique conditions ideal for producing grapes with intense, complex flavors. Named after owner Peter Thompson's two sons, Andrew and Geoffrey, the vineyard was established in the 1990s, and its wines reflect both Thompson's passion for viticulture and Diamond Mountain's distinctive terroir.

And then, mix in several lagniappe's to round out an exceptional and robust multi-day experience in the Valley's rich and glorious region of California.

Three (3) couples (6 guests) will enjoy a three (3) night stay at the Cornell Estate where you will enjoy a private tasting.

During your stay, our dear friend Peter Thompson, owner of Andrew Geoffrey Vineyards, invites you for a sunset dinner for six (6) on his 750-square-foot redwood deck on top of Diamond Mountain, overlooking the Napa Valley.

Also included: is a private tour and tasting of the fabulous MTGA. MTGA officially stands for "Michael Todd Gustaf Anderson," honoring the three generations of winemakers in the Anderson family. Additionally, a tasting and lunch at LERNER Project, a tasting and lunch with our kind friends at AXR, an estate lunch and tasting at La Residence at Roy Estate, a winery and vineyard tour with winemaker Matilda Scott of Almacerro followed by a private, seated tasting, a tasting at Battuello Vineyards, a tasting with Somnium, and dinner at Terra Valentine with proprietor and winemaker Sam Baxter.

IYKYK: NAPA VALLEY CABERNET EDITION

A recent Wall Street Journal article from March of this year posed the question: "How Much is Too Much to Pay for Wine By the Glass?". In the body of the article, a 5-ounce pour of 2017 DANA Lotus Vineyard is priced at $250. While this sum may stretch even the most ardent wine nerd's budget, we do believe it is indicative of the quality and rarity of DANA wines. Overseen by winemaking legends Chris Cooney and Philippe Melka, these wines represent a return to the cult Napa Valley Cabs of old. On offer this evening is a mini vertical that includes all three DANA properties as well as a tour and tasting at the DANA Estates facility, which was designed by Howard Backen and must be seen to be believed. A truly iconic project and property hiding in plain sight.

THE TALE OF THE JABBERWOCKY

'Twas brillig, and the slithy toves
Did gyre and gimble in the wabe:
All mimsy were the borogoves,
And the mome raths outgrabe.
"Beware the Jabberwock, my son!
The jaws that bite, the claws that catch!
Beware the Jubjub bird, and shun
The frumious Bandersnatch!"
He took his vorpal sword in hand;
Long time the manxome foe he sought—
So rested he by the Tumtum tree
And stood awhile in thought.
And, as in uffish thought he stood,
The Jabberwock, with eyes of flame,
Came whiffling through the tulgey wood,
And burbled as it came!
One, two! One, two! And through and through
The vorpal blade went snicker-snack!
He left it dead, and with its head
He went galumphing back.
"And hast thou slain the Jabberwock?
Come to my arms, my beamish boy!
O frabjous day! Callooh! Callay!"
He chortled in his joy.
'Twas brillig, and the slithy toves
Did gyre and gimble in the wabe:
All mimsy were the borogoves,
And the mome raths outgrabe.
