WELCOME TO THE 37TH ANNUAL
TUMTUM TREE FOUNDATION

Wine Auction

Letter from the Board

"Alone we can do so little; together we can do so much."
— Helen Keller

Welcome to the 37th Annual TumTum Tree Foundation Wine Auction! We are grateful to gather with you once again, to raise a glass, celebrate friendships, and enrich the lives of children across Alabama.

Thirty-seven years ago, a small gathering at Bottega raised approximately $25,000 and began a tradition of generosity that continues today. In 2025, your generosity brought 40 winemakers, more than 400 guests together, and raised an extraordinary $1.9 million. Through our eighteen beneficiary partners, your kindness reaches across our state, helping children and families find care, comfort, and hope during some of their hardest days.

These numbers tell a remarkable story, but the heart of TumTum is found in the people behind them. It is in the friendships that bring us back each year, the generosity that inspires others to give, and the shared belief that every child deserves the chance to heal, thrive, and experience the joys of childhood.

To our guests, donors, and bidders: thank you for choosing to be here and giving so generously. To our winemakers and winery partners: thank you for sharing your wines, your time, your friendship, and traveling great distances to stand beside our mission. To our sponsors, restaurants, chefs, and dinner hosts: thank you for the resources, creativity, and hospitality that make this weekend so special. To our volunteers: thank you for the countless hours and thoughtful details that bring it all together.

And to our beneficiary partners: thank you for the work you do every day. Your dedication keeps the children and families we serve at the heart of every decision and reminds us why this weekend matters.

Whether this is your first TumTum auction or a tradition you have treasured for decades, you are part of our story. Every paddle raised and every gift made helps carry the care and compassion in this room to families throughout Alabama.

As we celebrate 37 years, we do so with deep appreciation for everyone who has brought us to this moment and hope for all we can accomplish together.

Raise your glass, raise your paddle, and know your generosity will make a lasting difference!

BID HIGH, BID OFTEN!

JEAN-NOEL FOURMEAUX | VGS CHÂTEAU POTELLE

Sent to the Napa Valley by the French government “to spy” for 6 months, Jean-Noel Fourmeaux reported back home “Looks good, I stay”.

This son of Bordeaux created VGS Château Potelle 43 years ago on Mount Veeder in Napa Valley. Originally seduced by the exuberance and generosity of the Napa Valley fruit, Jean-Noel makes wines that have dimension, subtlety and definitive character. Their assertiveness is all in the nuances and their successive layers, not in the bold over ripeness of fruit.

Jean-Noel’s unconventional but very serene and comfortable approach to life and wine is guided by his passion for making wines true to his standards and of his loyal customers.

He is a winemaker, traveler, teacher, storyteller. He enjoys sharing his passion and spreading the essence of wine, which he believes should be a sensual gratification not an instant one.

Jean-Noel empowers people to be themselves and to embrace their own personal taste and give it the chance it deserves. “Once you know your taste, your taste will never let you down”.

The Fourmeaux Red, Jean-Noel’s latest creation, received the highest price at the Napa Valley Barrel Auction three years in a row! A true French-American blend, he travels the world sharing the culture of wine with his customers and friends, from Bordeaux where he is from, to South Africa, Latin America and beyond.

"To make mainstream wines has never been my calling. VGS is NOT about chasing trend or acclaim. True luxury does not shout. It whispers with timeless confidence.”
— Jean-Noel Fourmeaux

LOT #1 - OPENING BID $5,000

Magnum Force: A Legacy of Art, Wine & Friendship

Magnum Force is back, and this year it is bigger, bolder, and more meaningful than ever! This extraordinary collection brings together THIRTY-FIVE magnificent bottles from some of Napa and Sonoma's most celebrated wineries, a beautiful work of art, and a special tribute to the late Jim Clendenen, whose passion for exceptional wine, friendship, and generosity continues to inspire the TumTum family.

At the heart of this year's collection are four Clendenen Award winners: Jasmine Hirsch of Hirsch Vineyards, Peter Thompson of Andrew Geoffrey Vineyards, Fern Frias of Frias Family Vineyard, and Tony Lombardi of Lombardi Wines. These four distinguished vintners have joined forces with an impressive group of winery partners to create a collection worthy of Jim's legacy. Jim never needed a special occasion to open a bottle of wine, especially a large format one. He believed great wine was meant to be shared, and wherever he gathered, there was always an open bottle, an extra glass, and room for another friend at the table. His generous spirit lives on through these four award recipients and their continued commitment to TumTum.

Complementing this collection is a beautiful piece of art generously donated by Janet Herrero. The signed 48 x 30 giclée, *The Eiffel Tower*, was created from an original painting by Lowell Herrero following a trip Janet arranged to Paris in celebration of Lowell's 90th birthday. Capturing the iconic landmark from the intimate perspective of a Paris apartment, this stunning work of art adds another layer of meaning to a lot celebrating the beauty of life's most memorable experiences.

More than an impressive collection of wine and art, Magnum Force is a celebration of generosity, lasting friendships, and the extraordinary people who have helped shape TumTum's legacy. Jim Clendenen would have loved this lot, not simply for the remarkable bottles, but for the memories and friendships they will inspire for years to come.

Some legacies are measured in years. Others are measured in generosity, friendship, and, in Ernie Cory's case, exceptionally big bottles of wine! This special lot marks the first of many generous donations from the Cory family in loving memory of Ernie, a treasured former TumTum Tree Foundation Board member and longtime supporter. The collection features remarkable wines purchased by Ernie and Vivian over the years from several of TumTum's earliest Honorary Chairs, including Dick and Ann Grace, Robert and Margrit Mondavi, Robin Lail, the Staglin family, Teresa Norton and Tom Paine, Chuck and Anne McMinn, and Tom and Susan Curtin. Alabama Center for Childhood Cancer and Blood Disorders

Tonight, we ask you to open your hearts — not for a trip, a dinner, or a getaway — but for something far more powerful: the chance to change a child's life.

The Alabama Center for Childhood Cancer and Blood Disorders is the only comprehensive pediatric hematology-oncology center in the state, and it is committed to one goal: a cure.

Each year, over 190 children in Alabama are diagnosed with cancer. Another 2,000 children receive treatment for serious blood disorders, including sickle cell disease, hemophilia, and other life-threatening conditions. These are our children. Our neighbors' children. The children who deserve a future. This Center is their lifeline.

Since 2003, this auction has raised over $3 million for this vital work, helping to fund hematology-oncology fellows who not only care for these children at the bedside but also lead groundbreaking national and international research. When we began, the program had no fellows. Today, thanks to your support, they have trained a new generation of physician-scientists, ones who are saving lives and pushing the boundaries of what's possible.

Diseases once considered incurable are now being cured. Children who once faced impossible odds are now going home, returning to school, and resuming their lives.

And the breakthroughs continue. Right now, the Center is conducting the first-ever pediatric brain tumor trial using a genetically modified herpes virus, G207, a revolutionary approach that could forever change how we treat these devastating tumors.

But they can't do it without us. Your gift tonight doesn't just fund research, it funds hope. It gives Alabama's children access to the best care, the most advanced treatments, and the brightest futures.

So tonight, raise your paddle, not for what you'll receive, but for what you'll give.

Give hope. Give healing. Give a child their future.

This is your moment to make a difference.

Insider Information: Additional revenue after funding two (2) fellows will be dispersed amongst TumTum Tree's remaining beneficiaries.

The Best of the Best, Sir, With Honors.

Once again, the Rosse's have donated a mixed case of truly good stuff from the European continent's greatest wine-growing regions, all from top producers. Two Champagnes, two Italian reds, a red and a white Rhône, a single German Riesling plus one red Burgundy and four (count 'em, four!) white Burgundies. We are still wondering how Mark got Kaye to give up four of her white Burgs. This is an exceptional case of wine.

Napa Valley Secrets

Some secrets are simply too good not to share.

Beyond the famous names, grand estates and polished gates lies another Napa Valley, one built by passionate families, independent vintners, and small-production wineries where the person pouring your wine may very well be the person who grew the grapes and made it.

This is what the Napa Valley insiders know. And now, it's yours to discover.

TumTum Tree Foundation Honorary Vintner Jean-Noel Fourmeaux of VGS Château Potelle has personally opened his little black book and hand-selected a collection of some of his favorite family-owned wineries for an extraordinary Napa Valley experience for four (4) guests.

Forget the ordinary tasting-room circuit. You'll be welcomed behind the scenes, introduced to the people who make Napa Valley so special, and treated not simply as visitors, but as friends. Expect exceptional wines, intimate conversations, hidden gems, and the kind of warm hospitality that can't simply be booked online.

Your experience also includes a two (2) night stay for four (4) guests at Le PETIT PALI in St. Helena and a dinner for four (4) at La Toque with celebrated Chef Ken Frank.

And because an unforgettable trip deserves an unforgettable cellar, you'll also take home an extraordinary collection of eleven (11) magnums, personally selected from these boutique Napa Valley producers, a liquid memory of your journey and a collection made for celebrating.

Tasting Experiences for four (4) guests at each winery PLUS a 1.5 Magnum from each of the following Vintners:

The Tale of the Jabberwocky

'Twas brillig, and the slithy toves
Did gyre and gimble in the wabe:
All mimsy were the borogoves,
And the mome raths outgrabe.
"Beware the Jabberwock, my son!
The jaws that bite, the claws that catch!
Beware the Jubjub bird, and shun
The frumious Bandersnatch!"
He took his vorpal sword in hand;
Long time the manxome foe he sought—
So rested he by the Tumtum tree
And stood awhile in thought.
And, as in uffish thought he stood,
The Jabberwock, with eyes of flame,
Came whiffling through the tulgey wood,
And burbled as it came!
One, two! One, two! And through and through
The vorpal blade went snicker-snack!
He left it dead, and with its head
He went galumphing back.
"And hast thou slain the Jabberwock?
Come to my arms, my beamish boy!
O frabjous day! Callooh! Callay!"
He chortled in his joy.
'Twas brillig, and the slithy toves
Did gyre and gimble in the wabe:
All mimsy were the borogoves,
And the mome raths outgrabe.
