

2006 USAC WESTERN SPRINT CAR SEASON

Hunt Dominates USAC Western Sprint Car Season

By: Michael Harker

Domination was one of few words that could describe the 10th anniversary season of the USAC Western Sprint Car .

Tony Hunt came in and won his third career championship and fifth USAC title overall after winning seven of the 14 features, which came at seven tracks spread across three states.

Six drivers won features, but none before Hunt started his torrid battle. He won the season opener at Stockton 99 Speedway in central California and, after a three other Top 4s, won five of the next six races. Included was the ' final race ever at Stockton, a 65-lapper at Meridian Speedway in Boise, Idaho and two races at Altamont Raceway Park in Tracy, Calif.

But Hunt's championship was not secure until the end, as runner-up Mike Murgoitio kept close. The lead driver in the Western Speed stable captured Top 10s in 13 of the 14 races and never finished worse than sixth in the first nine races. Of those nine, he set fast time three times – Hunt four of the other six – but could not crack the win column until later in the season, which came at Anderson (Calif.) Speedway.

Hunt, who gave Alan Kaiser his first championship as a car owner, wrapped the title up after his start at Madera, the third to last race of the season, then, without the pressure of scoring points, simply went out to race. He finished second to Murgoitio in the penultimate race at Anderson, then led all 30 laps of the season finale Turkey Night Grand Prix at Irwindale (Calif.) Speedway. Hunt also won at Irwindale during the summer months.

Kody Swanson, in defense of his 2005 Western Sprint Car championship, won twice – both at Madera (Calif.) Speedway – and managed third in the point POINTS.

Rookie Bradley Galedrige, who teamed with former Western Sprint driver and Indy Racing League and Indianapolis 500 veteran Davey Hamilton, scored fourth in the POINTS, and along with a pair of victories (Tracy and Madera), earned Rookie of the Year honors.

The ' first female feature winner, Shauna Hogg, rounded out the Top 5 in the point POINTS after competing in all 14 features, with a best finish of second at Stockton.

Nick Green, the Most Improved Driver, won his first career race at Tracy in the final third of the season, while two-time Rocky Mountain Sprint Car champion Jimmy Wysong tamed his hometown track at Rocky Mountain Raceways in Salt Lake City, Utah in a combined Western/Rocky Mountain Sprint show.

As usual, the Turkey Night Grand Prix provided some surprises. Among them was former USAC champion and current NASCAR Nextel Cup driver Casey Mears, who drove a second car owned by Ted Finkenbinder to 16th in the feature. In addition, World of Outlaws veteran Jason Meyers tested the waters and finished 10th in the race.

The USAC Western Sprint Car teamed up with the California Asphalt Sprint Association on several occasions too, which assisted in increasing car counts. Hunt was the winner of the CASA championship as well.
