2004 USAC NATIONAL SPRINT CAR REVIEW

After finishing as the runner-up in three of the past four seasons, Jay Drake of Val Verde, California finally laid claim to the USAC Valvoline National Sprint Car championship.

Drake, who led the series standings from the second race on in his Tony Stewart Racing/Mopar/Vital Express entry, finished 74 points ahead of Bud Kaeding in one of the series' most robust seasons, which featured 35 points-paying features in 15 states, eight more states than in 2003, in almost every region of the country.

The Californian posted four victories, including the season opening Glen Niebel Classic at Anderson Speedway, and won three times on dirt to preserve the title.

Despite his lead, Drake dueled with Kaeding and teammate Cory Kruseman throughout the season. Drake hit a proverbial rut during Valvoline Indiana Sprint Week when he failed to finish inside the top 10 during three-straight events. Kruseman won two of those three, moving from third to second in points and trimming a 196-point lead to 115 points.

But Drake was not denied. At Bloomington, he notched the first of nine straight top 10 finishes, capping the streak with a win at Tulsa where he lost a tire as he passed the twin checkered flags. Though he did not win again, he relied on finishing to claim the crown.

Kruseman picked up a series high five triumphs and was victorious twice during Indiana Sprint Week as well as the coveted Tony Hulman Classic at the Terre Haute Action Track, Route 66 Raceway, and the Budweiser Oval Nationals at Perris Auto Speedway where he collected a $30,000 prize.

Kruseman wasn't the only driver to pick up a big paycheck. Kevin Huntley won $50,000 for his victory in the Mopar Thunder at Eldora Speedway in Rossburg, Ohio. Kaeding's Western World Open victory at Manzanita Speedway in Phoenix, Arizona netted him $12,500. Kaeding also won at Attica, Ohio, and Terre Haute.

Bobby East was spectacular on the pavement. Though he ran only eight times, he picked up five feature victories, including USAC's first sprint car race at the Music City Motorplex in Nashville, Tennessee since 1959. East also won at IRP, Anderson, Hawkeye Downs, and Toledo. East's Nashville win gave him a chance to run for $20,000 in a non-points race in the twin 77-lap event, but he finished second to Dave Steele.

Previous series champions J.J. Yeley and Tracy Hines ran limited schedules due to their involvement in NASCAR but won twice each. Yeley won a sprint car race at Terre Haute after scoring a USAC Midget win earlier in the day at the Milwaukee Mile.

Dave Steele and Jon Stanbrough also won twice. Steele swept sprint/midget doubleheaders at Pikes Peak and Salem, and also captured a non-points race at Nashville, the second of the two 77-lappers. Stanbrough won at Lawrenceburg during Indiana Sprint Week and at Georgia's Dixie Speedway, USAC's first dirt race in the Peach State since 1957.

Co-Rookie of the Year with Josh Ford, fellow Californian Josh Wise was one of five drivers to capture their first series victories, as he won at Memphis and Limaland. Others included Most Improved Driver Dickie Gaines in the 4-Crown Nationals at Eldora, Levi Jones at Charlotte, and Rip Williams and Mike Kirby at Perris.

Veterans Tony Elliott and Jason McCord, who led the points after the first race, kept the young guys at bay from time to time, winning in Lebanon, Missouri and Richmond, Virginia, respectively. Kevin Briscoe showed hometown pride when he won at nearby Bloomington during Indiana Sprint Week.

Jones edged Gaines by two points during Indiana Sprint Week for the six-race championship despite neither winning a race.

Dynamics, Inc./Hoffman Racing secured its eighth car entrant championship, utilizing eight different drivers in its famous No. 69 machine.

Eric Gordon became the first six-time winner of one of America's greatest short-track races on May 29, winning the 56th Annual PayLess/Delco Remy Little 500 Sprint Car classic at Anderson. His fourth consecutive win in the 500-lap race surpassed Bob Frey's five total race wins and tied Frey's mark of four straight wins.

Gordon Gets Win #6 at Anderson's Little 500

Eric Gordon became the first six-time winner of one of America's greatest short-track races on May 29, winning the 56th Annual PayLess/Delco Remy Little 500 Sprint Car classic at Anderson. His fourth consecutive win in the 500-lap race surpassed Bob Frey's five total race wins and tied Frey's mark of four straight wins.

Gordon started fifth in the 33-car field on the 1/4-mile paved oval and led nearly half of the race in his Jack French PayLess/Print Express Gor-Fre/Gaerte but had to withstand a late race challenge from runner-up finisher Aaron Pierce of Daleville, Indiana, who finished just .35 seconds in arrears.

Gordon trailed early leaders Levi Jones and Dave Steele until Steele pitted on lap 166. Twenty-two laps later, Gordon made the first of his two pit stops, relinquishing the lead to Brian Tyler. On lap 281, he caught leaders Michael Lewis and Tony Hunt in traffic, and despite pitting for the final time on lap 384, he was never again headed.

Gordon held nearly a lap lead until the final 75 laps when Pierce began slicing into it. At the checkered flag, Pierce was within two car lengths.

Tony Hunt finished third after losing time due to congestion on his final pit stop. It marked the third consecutive top three finish for the previous year's runner-up.

Paul White of Temple, Texas earned the Rookie of the Race award for finishing eighth. He was one of six race leaders, pacing laps 191-262 after making a quick first pit stop.

Jason McCord and Gary Fedewa rounded out the top five and were trailed by Lewis, Chris Hayes, White, Dude Teate, and Denny England.

Pole starter Dave Steele was among the leaders in the early laps but allowed Levi Jones to pace the first 152 circuits. A pit incident on his first stop relegated Steele to lapped status and he never recovered, eventually failing to finish the race.

Former race winner Chet Fillip escaped injury in a hard crash into the turn three wall on lap 111 and front row starter Cory Kruseman failed to finish after running second late in the race. Kruseman's teammate Jay Drake was also a casualty, ending up in the turn one wall after a frontstretch tangle with another car.

Race leaders included Gordon, Steele, White, Tyler, Lewis, and Jones.
