2005 USAC CRA SPRINT CAR SEASON

Damion Gardner had one of the most dominating seasons in one division in USAC history by taking the CRA Sprint Car Series championship.

Despite not taking the series point lead until the final third of the season, Gardner, of Concord, California, flourished over the 2005 campaign by taking 15 feature victories and 22 fast qualifying times in winning his first career USAC title and yet another sprint car crown for Ron Chaffin.

Gardner's season didn't get off to a great start as he failed to make the season opener after crashing in that night's semi-feature at Manzanita Speedway. He followed that with three more fast qualifying times and only twice went three-straight events without setting the night's fast qualifying time.

As Gardner crept closer toward the point lead heading into the final third of the season, defending series champion Rip Williams began to struggle. Mechanical failures plagued Williams over September, October and November, and he slipped behind Gardner in September before retaking the point later in the month.

However, Gardner's 13th win of the season and eighth triumph at Perris allowed him to regain a point lead he would never relinquish.

Cory Kruseman came on strong toward the end of the season and jumped into second ahead of Williams heading into the Oval Nationals at Perris and the Western World Championships at Manzanita. But struggles there eliminated his chance at taking his first USAC championship, and he finished 161 behind Gardner in the standings, despite nine wins.

Williams finished third in the points, beating Mike Kirby and Charles Davis Jr.

Williams celebrated his 100th career sprint car victory early in the season and added another victory later in the year. Other feature winners included Dave Darland in the season opener and finale at Manzanita in addition to a victory at Perris. Rickie Gaunt three times, Kirby twice, Jerry Coons Jr., Darren Hagen, Josh Ford, Alan Ballard and Ricci Faria.
