2006 USAC CRA SPRINT CAR SEASON

Cory Kruseman, Ventura, Calif., added another line to his already impressive resume by winning his first USAC/CRA driving title in 2006. In the process of also winning the owners crown for Glenn & Carol Crossno, Kruseman scored four feature victories during the season and registered a series high 23 Top-5 finishes.

Kruseman held the series point lead after January's season opener at Manzanita Speedway in Phoenix, Ariz., by virtue of his runner-up finish. Little did he know at that time the he would be involved in a season-long seesaw battle with defending series champion Damion Gardner of Concord, Calif.

Kruseman took home four feature wins, scoring his first victory of the season at the Perris Auto Speedway in March and won two races in June, one at Santa Maria Speedway (Calif.), the other at Ventura (Calif.) Raceway. But it was his October win at Ventura before his hometown fans that essentially but him the driver's for nailing down his first USAC/CRA crown.

Joining forces with Crossno in 2005, Kruseman returned to the West Coast full-time and finished second in series points, while gathering nine feature wins. "The Kruser" had spent the prior two seasons campaigning predominately in the Midwest. Driving for Tony Stewart Racing, Kruseman finished third in 2004 USAC NATIONAL SPRINT CAR CHAMPIONSHIP POINTS and claimed his second straight $30, 000-to-win Oval Nationals at Perris.

After progressing his way through Go-karts, stock cars and USAC three-quarter Midgets, Kruseman began his Sprint car career in 1994 driving for Harlan Willis on the SCRA circuit. Showing instant talent, Kruseman did something that hadn't been done in 10 years on the West Coast, win a 410 c.i. Sprint car main event as a rookie. Kruseman's win came at the Imperial Fairgrounds (El Centro, Calif.) in just his sixth start. Later in the year, Kruseman would back that win up with another eye-popping win at Silver Dollar Speedway in Chico, Calif.

Kruseman picked-up five SCRA wins in 1995, including wins in all four Santa Maria Speedway events. Unfortunately, his season was cut short after a devastating midget flip along the front straightaway while competing at the Sacramento Mile.

Despite five difficult months of rehabilitating his injured right arm, Kruseman was ready to start the 1996 season. Remarkably, in just his fifth race back, Kruseman was able to drive to an SCRA win at Manzanita Speedway. In all, Kruseman gathered five SCRA wins and made his USAC Silver Crown debut.

In the years that followed, Kruseman continued to grow as a race car driver and his accomplishment also grew. Kruseman won the inaugural Non-Winged World Championship in 1999 and was crowned SCRA Champion in 2001 after notching a record 15 wins. Kruseman also enjoyed national notoriety after he won the famed Chili Bowl Midget Nationals (Tulsa, Okla.) in 2000 and 2004.

During his career, Kruseman has won 15 USAC National Sprint Car wins, USAC National Midget wins, and Western States Midget wins. Kruseman will also go down in history as the all-time 410 SCRA main event winner. Of his 63 SCRA triumphs, 35 of them came at the Perris Auto Speedway from 1996 to 2003.

Kruseman's skill and knowledge of racing has earned starts in the Indy Racing League and the NASCAR Truck series.

In 2004, Kruseman received the prestigious "Jimmy Caruthers Award, " which is presented to a USAC participant for their spirit and determination. Always a fan favorite, Kruseman was also voted the "Most Popular" SCRA driver three times (1994-95-99). In 2000, Kruseman established the Cory Kruseman Sprint Car & Midget Driving School and is still teaching future champions today.

Kruseman was finally able to separate himself from Gardner in the 2006 title fight during the October race at Ventura after “The Demon” tangled with a flipping car and was relegated to a 17th place finish. The lead blossomed continuously as Gardner corralled three finishes outside the top-ten in three of the final six races, owed to mechanical problems.

Despite suffering some tough luck late in the year in his Ron Chaffin owned sprinter, Gardner still managed to lead the series with nine feature wins – though none came in the final 13 features – and finished second in driver points. Gardner

also led all drivers with 16 fast time awards, including a remarkable streak of six in a row to start the season. Five of those six resulted in top-five finishes, including two victories.

Tony Jones finished third in series points and ended the year as the hottest driver on the USAC CRA circuit. Jones was particularly fast at Perris where he won eight main events driving for Mark Alexander, including the season-ending Jack Kindoll Classic and a pair of 40-lappers midway through the year. Second only to Gardner in feature wins and fast times (four), Jones also notched 20 top-five finishes.

Finishing fourth and fifth, respectively, in series points, Mike Spencer and Danny Sheridan enjoyed breakthrough seasons and each claimed their first USAC CRA main event wins. In all, Spencer won three main events, including a preliminary feature during the Oval Nationals at Perris, which served as a national feature as well. One month earlier, Sheridan also drove to victory at The PAS.

Rip Williams celebrated his 50th birthday this year but showed no signs of slowing down. Williams won the season opener in February at Perris and the August race at Santa Maria (Calif.) Speedway. Williams' SMS victory also marked the 100th sanctioned win of his illustrious sprint car career. He finished the season ranked sixth in series points.

For the second year in a row, Indiana native Dave Darland took home the biggest prize of the season, grabbing $30, 000 payday by winning the Oval Nationals and becoming one of six drivers to win in all three USAC CRA seasons. One week later, Josh Wise wrapped up his first USAC National Sprint Car title by winning the prestigious Western World Championships at Manzanita Speedway in Phoenix, Ariz.

The USAC CRA tour once again made a summer stop at Skagit Speedway (Alger, Washington) with local favorite Jayme Barnes driving to a stunning wire-to-wire 40-lap victory. Charles Davis Jr., Rickie Gaunt, Jesse Hockett, Levi Jones, Bud Kaeding, Mike Kirby and Jeremy Sherman were also among the 16th drivers to win main events during the year.

Nine of those 16 drivers – Tony and Levi Jones, Wise, Spencer, Sheridan, Barnes, Hockett, Davis and Sherman – were all first-time CRA winners.

Rookie of the Year honors went to Blake Miller, who registered seven top-five finishes, set fast time at Ventura Raceway and finished seventh in series points. With 22 USAC CRA sanctioned races, the Perris Auto Speedway once again served as the home track for the series.

Johnny Rodriguez was named the Most Improved Driver.
