Subject: Sincere thanks for your warm welcome and insightful visit

Dear Mr. Shahid,

I would like to express my sincere appreciation for the warm welcome and generous hospitality extended to us during our visit to your facilities - Alpha Carbon Technology Ltd, and Hana System Ltd.

I would like to thank you for the opportunity to tour your factories and to witness first-hand the impressive work being carried out by your employees. The visit was both informative and inspiring, and we greatly valued the time and effort you dedicated to explaining your operations, production processes, and future ambitions.

It was particularly encouraging to learn how Bangladesh is increasingly becoming an important part of the European bicycle supply chain and how investments - including from Europe - are helping to strengthen the sector, expand manufacturing capacity, technological knowhow, and support Bangladesh's growing role as a competitive and reliable production base for the European market.

May I ask you to stay in touch with my team and with the European Union Chamber of Commerce in Dhaka and keep us posted on your business development in Europe.

Yours sincerely,

Michael Miller
Ambassador
