

Product Guide 2026

Good food starts with KTC.

KTC products are enjoyed by over 50 million people each year. Over 70% of UK restaurants rely on us, making us one of Europe's fastest-growing food oil groups.

Trusted by companies of all sizes, both at home and abroad, we offer a comprehensive range of food oils and fats to the manufacturing, food service, wholesale, and retail channels. Our extensive capacity, dependable service, and considerable scale enable us to provide great value to our customers.

We pride ourselves on offering all our customers first-class food products, manufactured and packed to the highest quality. Both our Wednesbury and Liverpool manufacturing sites are accredited by the British Retail Consortium. Our strict Supplier Approval and Quality Control procedures ensure that we only source raw materials and goods from manufacturers who uphold the highest standards in safety, hygiene, sustainability, ethics, and quality.

Our ability to react quickly to new market trends puts us ahead of our competitors in terms of innovation and dynamism.

Our well-known flagship brands form our core product range, alongside numerous oil and fats brands that have consistently performed well over the last four decades.
