

Spring Oak

Senior Living | Christiansburg

The Founders Club at Spring Oak at *Christiansburg*

A place to belong from the very first day.

Spring Oak at Christiansburg is reopening its doors to our senior living community, and we are excited to welcome a small group of residents who will help create the heart of our home from the very beginning.

The Founder's Club is a limited-time opportunity to become part of our opening family – to build connections, share in new beginnings, and experience the comfort of truly belonging from day one.

Founders Club members enjoy:

- » Priority selection of available apartments, allowing you to choose the home that best fits your preferences and lifestyle
- » The meaningful experience of being among our very first residents
- » A complimentary Smart TV in your apartment.
- » Exclusive Founders Club merchandise

At Spring Oak, senior living is about more than support – It's about warmth, relationships, and living each day with purpose and joy.

Be part of something special from the start.
