Mbc persia live tv

MBC Persia is a prominent Persian-language TV network run by Middle East Broadcasting Center (MBC). Based in Dubai, it broadcasts globally to the Persian-speaking world. As one of the largest networks in the Middle East and North Africa, MBC Persia reaches millions daily. It's particularly popular among the Persian diaspora living outside Iran. The website is bilingual - Persian and English - making it accessible to a diverse audience. Mobile apps for Android and iOS devices let viewers stay updated on the latest news. MBC Persia offers a mix of programs: news, entertainment, sports, and more. It prioritizes delivering timely information, focusing on regional and international news. The network also airs various entertainment programs like movies, dramas, and sitcoms, as well as sports broadcasts including football, tennis, and Formula One racing. MBC Persia strives to provide high-quality content. Its mission is to offer the best TV experience in the Middle East and North Africa, constantly introducing new shows and features while expanding its reach.
