How does menards 11 rebate work

Menards 11% Rebate Program: Tips and Tricks for Getting Cash Back Made an online purchase at Menards? Find the rebate details at the bottom of your confirmation email. You still need to mail the form, even for online buys. Grab a rebate form in-store or print one out online. To use the 11% cash back rebate, you have three weeks to submit your form after the rebate window. Track the status on their website once submitted. Send the completed form and original receipts via snail mail to PO Box 99 Elk Mound, WI 54739-0099. Use legible handwriting and take a photo of everything for reference. Check the deadline listed on your rebate form. Avoid using paperclips, binder clips, tape, or staples; just include the form and receipts in an envelope for fastest processing. Your rebate check will arrive via mail within 6-8 weeks and can be used like cash at any Menards location. Unfortunately, it cannot be used online. Use your rebate check on your next purchase to keep the discounts rolling. If you have the Menards BIG credit card, you can reprint your receipts by scanning your card at a kiosk in-store. The BIG card offers an additional 2% rebate on every purchase, making it worth signing up for if you plan to pay off your balance each month. Menards' rebates do expire, but mailing your form after the deadline may still result in receiving the rebate. To avoid wasting postage, know which purchases aren't eligible for the 11% rebate program, such as items purchased with coupons or gift cards. To maximize savings, take advantage of sales and promotions by purchasing items now and submitting rebates later when they go on sale. Additionally, check for special promotions or coupons to combine with your rebate form for even more savings. To redeem Menards rebates, enter rebate numbers on a form acquired at a store or on the website, fill it out, and mail it. Track status through Rebates International. Navigate to Menards.com, click Rebate Center, locate rebate numbers on receipts, and type in up to eight numbers. Review terms, accept, and download a rebate form. Fill it out before printing and mailing it with original receipts. Processing time is 6-8 weeks. Track status online by entering receipt number, name, address, and ZIP code. Standard Gift Card orders received by 12 noon CT will be processed the same day. Create a Menards account to avoid missing rebates or gifts. **Maximizing Menards Rebates: Tips for Success** As an enthusiast of Menards' rebate program (having learned from experiences with denied claims), I'm excited to share the simplicity and value of their offers.
