Lisa Parker's Tarot Familiars Deck on Amazon is a must-check-out! This unique deck features pets in incredible settings, with each pet carefully associated with the Major Arcana and face cards. The deck consists of 78 cards, including 22 Major Arcana and 56 Minor Arcana. The deck's design has its own charm, showcasing wise-eyed pets in magical scenarios. A cat sits on top of stacks of books, while ravens hold pentacles and owls carry scrolls. This deck is packed with amazing tomes, clairvoyance, and pentacles, along with an ouija board and other fascinating materials. The Tarot Familiars Card Details reveal a more in-depth look at the deck's composition. The Minor Arcana contains 4 suits - Pentacles, Cups, Swords, and Wands - each featuring 10 number cards (2-10) and 4 Court cards - Knight, Queen, King, and Page. However, it's worth noting that the quality of this deck has been an issue in the past, with some reviewers finding the Minor Arcana to be lacking. The Aces are a highlight, showcasing client pets in various scenarios along with presents. Unfortunately, the number cards between 2-10 are uninspired and seem like cut and paste repetitions of one photo. This is a major drawback for some users, but the Court cards and Major Arcana remain attractive. Overall, the Tarot Familiars Deck offers a unique blend of magical settings and animal artistry. While it may have its flaws, it remains a beautiful and intriguing deck for those interested in tarot and magic. Llewellyn, an independent publisher of books for body, mind, and spirit, aims to provide readers with the best in metaphysical literature. Since 1901, they have been a reliable source of guidance on various topics such as Paganism, witchcraft, astrology, tarot, wellness, magic, and the paranormal. The Tarot Familiars deck, created by Lisa Parker, has gained popularity since its original publication in 2017. The deck features traditional magical creatures like owls and cats, with attention to detail in the artwork. It includes an instruction booklet in five languages and is made of high-quality cards.
