

Strategy 2024-25: South Derbyshire CVS

COMMUNITY
VOLUNTARY
SUPPORT
SOUTH DERBYSHIRE

Healthy,
connected,
thriving
communities

Improving health and wellbeing outcomes by;

- Supporting individuals to live well, learn & retain independence.
- Helping to empower communities to feel heard and to create sustainable change, through volunteering & partnerships
- Place-based working to ensure that the voluntary sector remains at the heart of the community

Demonstrate Value	Service Sustainability	Develop New Services	Partnerships & Profile	Expansion & Growth
<p>Ensure our services are strong and sustainable and leave a lasting positive impact.</p> <p>Deliver high quality services and use our capacity to support growth</p> <p>Invest in, and collaborate with our workforce to support wellbeing and development</p>	<ul style="list-style-type: none">• Our systems and processes continue to develop for growth and change• We will consistently recruit, retain and train individual and corporate volunteers.• Staff will have regular opportunity for development and progression both internally and with partners.• We will use our reporting to showcase the value we provide and to ensure financial sustainability.• Use of our resource will be strengths-based and respond to local need• Our staff, volunteers & beneficiaries will feel valued and able to be at their best, with a sense of purpose.	<p>Develop new services which compliment what we already do</p> <p>Embed learning into the services and community support that we provide</p> <p>Actively explore collaborative working opportunities and raise the profile of SDCVS for the people we serve and the voluntary sector</p> <p>Strengthen our existing services by delivering a greater variety and in new areas</p>		
			<ul style="list-style-type: none">• We will deliver learning opportunities in Derbyshire and online• We will have a range of preventative services aiming to improve quality of life for local people and reduce the need for emergency or statutory support.• There will be opportunity for greater influence, to ensure that we have a voice for the community and the voluntary sector• SDCVS will generate income that can be invested into our services & the community• Shared resource and skill with partners, to provide high quality support to our beneficiaries• Community connection and participation, rural communities will feel represented, our building will have a variety of uses.• SDCVS will be recognised as a trusted partner, leading in good practice for the voluntary sector
