GCT Semiconductor Holding, Inc.
2026 Annual Meeting of Stockholders
September 17, 2026
4:00 p.m. Pacific Time

RULES OF CONDUCT

Welcome to the 2026 Annual Meeting of Stockholders (the "Annual Meeting") of GCT Semiconductor Holding, Inc. (the "Company"). We thank you for your participation. In the interest of conducting a fair and orderly meeting, the Company respectfully requests that each stockholder honors the following rules of conduct and procedures:

1. Recording of the Annual Meeting is prohibited.

2. John Schlaefer, our President and Chief Executive Officer, will be presiding over the meeting and has the authority to make any and all determinations with respect to the conduct of the Annual Meeting and procedures to be followed.

3. The only matters to be presented for a vote at the Annual Meeting are the proposals set forth in the Company's proxy statement. Guests may log into the website and attend the Annual Meeting, but only stockholders of record at the close of business on July 24, 2026 (the record date for the Annual Meeting) who have 16-digit control numbers will be able to vote and ask questions.

4. Stockholders of record need not vote at this Annual Meeting if you have already voted by proxy. If you wish to change your vote, or if you have not voted, you may do so by clicking on the "Vote Here" icon on the Annual Meeting web portal by logging into the web portal at www.virtualshareholdermeeting.com/GCTS2026 and entering the 16-digit control number that is located in the voting instructions on the front of the proxy, Stockholder's Notice, or in the email you received. Please enter the control number without any spaces. If you have voted your shares prior to the start of the Annual Meeting, your vote has been received by the Company's inspector of elections and there is no need to vote those shares during the Annual Meeting. Votes may be cast during the Annual Meeting until the polls have closed by clicking on the "Vote Here" icon on the meeting center screen of the Annual Meeting web portal.

5. Questions may be submitted at any time during the virtual meeting by logging in using the 16-digit control number from your Proxy Card and entering your question in the "Ask a Question" box on the left side of the virtual meeting webpage.

6. Questions should be limited to one topic in order to facilitate responses by the Company.

7. Questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized and answered together. Questions not answered during the Annual Meeting may, in the sole discretion of Mr. Schlaefer, be responded to on an individual basis following the Annual Meeting; however, the Company is under no obligation to do so.

8. Questions from all stockholders are welcome, however, the purpose of the Annual Meeting will be observed and Mr. Schlaefer will reject questions that are: (i) irrelevant to the business of the Annual Meeting; (ii) related to pending or threatened litigation or investigations; (iii) related to material non-public information of the Company; (iv) derogatory or inappropriate references that are not in a good taste; (v) in furtherance of the stockholder's personal or business interests; (vi) substantially repetitious of statements or questions by other stockholders; (vii) out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by Mr. Schlaefer in his sole discretion; or (viii) related to personal grievances.

9. The virtual meeting platform is fully supported across browsers (Chrome, MS Edge, Firefox, and Safari) and devices (desktops, laptops, tablets and cell phones) running the most up-to-date version of applicable software and plugins. Note: Internet Explorer is not a supported browser. Participants should ensure that they have a strong Wi-Fi connection wherever they intend to participate in the meeting. We encourage you to access the meeting prior to the start time. For technical assistance with the virtual meeting, please contact the technical support team listed on the website login screen.

10. In the event of technical malfunction or other significant problem that disrupts the Annual Meeting, Mr. Schlaefer may adjourn, recess or expedite the Annual Meeting or take such other action that Mr. Schlaefer determines is appropriate in light of the circumstances.
