

THE MOORINGS FISHING EXPERIENCE

Experience the waters that have made Islamorada the Sportfishing Capital of the World.

Surrounded by the legendary waters of Florida Bay, the Atlantic Ocean, and the backcountry flats, The Moorings Village offers a personalized fishing experience tailored to every guest.

Spend the day on the water with an experienced local captain, choosing from backcountry, offshore, reef, or fly fishing based on your interests and seasonal conditions. Whether you're a seasoned angler or trying fishing for the first time, each excursion is thoughtfully curated for an unforgettable day in the Keys.

For guests who return with a catch, arrangements may be made for professional cleaning and preparation.

Subject to availability and the day's catch, our culinary team can assist in creating a personalized ocean to table dining experience.

Package Includes

- Private fishing charter
- Fishing licenses and equipment
- Concierge coordination
- Optional catch cleaning and culinary preparation arrangements, subject to availability and successful catch

Cast off, explore, and experience Islamorada from the water.
