fuelmate

BLACK FRIDAY 2026

Telematics trial offer terms and conditions

Offer period: 17 to 30 November 2026

The offer in brief: existing customers get the first 3 months of subscription charges free on 5 to 50 vehicle tracking or camera devices, on a 24-month agreement. Installation is charged separately. Sign up by 23:59 on 30 November 2026.

1. The offer is open to existing Fuelmate customers with an active fuel card account in good standing at the time of their request.
2. To qualify, customers must request the offer through their Fuelmate account manager and sign their Fuelmate Telematics agreement between 17 November 2026 and 23:59 on 30 November 2026.
3. The offer applies to new Fuelmate Telematics subscriptions for vehicle tracking or camera devices, on a minimum of 5 and a maximum of 50 devices per account.
4. Customers must enter a 24-month Fuelmate Telematics agreement.
5. Subscription charges are free for the first 3 months from the start date of the Fuelmate Telematics agreement.
6. After the first 3 months, standard subscription charges of £10 to £17 per device per month apply, depending on the device, for the rest of the agreement. The 3 free months form part of the 24-month agreement.
7. Installation costs are not included in the offer and will be charged separately. Your account manager will confirm the installation cost before you enter into an agreement.
8. The offer covers subscription charges only. It cannot be exchanged for cash, transferred or deferred.
9. Customers who have had Fuelmate Telematics in the past but no longer have an active subscription can take up the offer. Customers with an active Fuelmate Telematics subscription cannot add the offer to their current agreement.
10. If the agreement is ended before the end of the 24 months, early termination charges apply. The charge is the monthly subscription cost of each device multiplied by the number of months left on the agreement.
11. The offer is limited to one per account and cannot be used with any other Fuelmate offer.
12. Customers are responsible for complying with all legal requirements relating to vehicle tracking and camera use, including employee privacy and data protection.
13. All applications are subject to approval. Fuelmate reserves the right to verify eligibility, and may amend, suspend or withdraw this offer where reasonably necessary due to circumstances beyond its control, subject to applicable law and without unfairly affecting customers who have already qualified.
14. These terms are in addition to Fuelmate's standard terms and conditions and the Fuelmate Telematics agreement, including its cancellation, equipment and data processing provisions.
15. These terms are governed by the laws of England and Wales.

To enquire: contact your dedicated Fuelmate account manager or visit fuelmate.co.uk. Offer subject to eligibility, contractual requirements and the standard Fuelmate Telematics terms.
