BLACK FRIDAY 2026

Switch & Save offer terms and conditions

Offer period: 17 to 30 November 2026

The offer in brief: businesses that haven't been a Fuelmate customer in the last 12 months get £25 credit per fuel card, up to 10 cards (£250 per account), once the business uses 1,000 litres per month across all its cards for the first 2 months (2,000 litres in total). Apply by 23:59 on 30 November 2026.

1. The offer is open to new Fuelmate customers only. A new customer is a business that has not held a Fuelmate fuel card account in the last 12 months.
2. Applications must be received between 17 November 2026 and 23:59 on 30 November 2026.
3. All applications are subject to Fuelmate's standard credit approval process. Fuelmate may decline any application at its discretion.
4. Qualifying customers will receive £25 credit for each fuel card on the account, up to a maximum of 10 cards (£250) per account.
5. To qualify, the business must purchase at least 1,000 litres of fuel per month across all its Fuelmate cards for the first 2 months after the cards are issued (2,000 litres in total).
6. The credit will be applied to the customer's first invoice after the 2-month qualifying period. Customers do not need to claim it.
7. The credit can only be used against Fuelmate invoices. It cannot be exchanged for cash, transferred or refunded.
8. Pence-per-litre pricing is not affected by this offer. There is no introductory rate, and standard account fees and charges apply as set out in the customer's agreement.
9. The offer is limited to one per business and cannot be used with any other Fuelmate offer.
10. If the account is closed or suspended before the credit is applied, the credit will not be paid.
11. Fuelmate reserves the right to verify eligibility and to withhold the credit where the qualifying conditions have not been met, or where an application or transaction is reasonably suspected to be fraudulent.
12. Fuelmate may amend, suspend or withdraw this offer where reasonably necessary due to circumstances beyond its control, subject to applicable law and without unfairly affecting customers who have already qualified.
13. These terms are in addition to Fuelmate's standard terms and conditions of business.
14. These terms are governed by the laws of England and Wales.
