LANCASTER
INVESTMENT MANAGEMENT

Investment objective and policy

The Lancaster Absolute Return (IRL) Fund ('The Fund') aims to achieve a positive absolute return on a 12 month rolling basis independent of market conditions. Capital is at risk and there is no guarantee that a positive return will be delivered over any one or a number of 12 month periods. The Investment Manager seeks to achieve this objective through managing a portfolio of securities, bonds and currencies and related financial instruments.

Approach

The strategy is fundamentally driven global equity long short and built around three core principles; investing in fundamentally sound companies, disciplined short selling, and diversification, which is an essential tool in risk management. On the long side, the approach is valuation driven with a particular focus on sustainable free cash flow generation. On the short side the portfolio is stock-specific. The strategy harnesses the experience and judgement of James Hanbury, his investment team and the wider equity research resource at Lancaster Investment Management. While the team invest for the medium to long term, they continuously resize positions to ensure the portfolio remains focused on their highest conviction ideas. The Fund is built without formal reference to an index and typically contains 30-60 positions long and 25-40 positions short with a higher concentration in the top 10 positions.

Risk Considerations

The Fund is actively managed and has considerable latitude over its allocation and may own sophisticated instruments such as futures and options for efficient portfolio management. The Fund may hold a large weighting in a small number of investments and may therefore be subject to larger than normal swings in its value. The performance stream is likely to be volatile and the Fund is suitable only for investors who have a long time horizon (>5 years) and can tolerate higher risk. Investors may not get back all the money invested and an investment in this Fund should only form part of an investor's total portfolio. The Fund's prospectus has detailed descriptions of the Funds risks. Before investing, please refer to the prospectus of Genfunds Global plc and to the applicable KIID/KID before making any final investment decisions. You can get free copies from the Investment Manager at reporting@LancasterIM.co.uk or the website of the management company at https://bridgefundservices.com/funds/genfunds-global-plc/lancaster-absolute-return-irl-fund/.
