OUR DEVELOPMENT MODEL

Our **systematic soccer curriculum** moves players from beginner to college ready. It is implemented by our experienced staff, solely comprised of former professional or collegiate players (or a license equivalent). They have won national titles at the MLS, USL, and NCAA levels, and hold licenses from the United States Soccer Federation and United Soccer Coaches.

Our **systematic Team Talk curriculum** given at every training environment has been designed to develop spiritual growth and leadership skills in every player so they become leaders who change the world.
