- ✓ Aligned with the California Preschool/ Transitional Kindergarten Learning Foundations
- ✓ Access to exemplar resources, planning tools, and more

Partner with SEAL: Strengthen Early Learning for Dual Language Success

SEAL's **Early Learning Full Model** strengthens instruction, collaboration and leadership in Preschool and Transitional Kindergarten classrooms. Designed for educators serving dual language learners (DLLs), the model empowers teachers, paraeducators, coaches and administrators with tools to create language-rich and affirming environments.

What Makes SEAL's Full Model Unique?

- Crafted by educators for educators
- Responsive and hands-on
- Involves all teachers, coaches, principals, district leaders and families
- Ensures seamless instruction and a thriving environment
- Trains through thematic, content-rich units

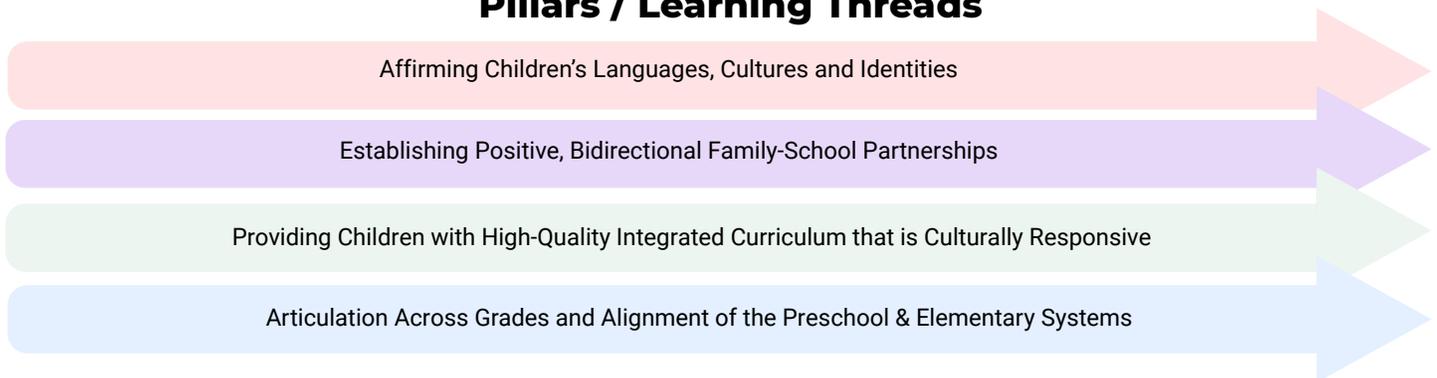

Invest in What Works: SEAL's Proven Path to Early Learning Success

SEAL's professional development model guides educators on a research-based journey—beginning with complex oral language and analytic thinking, progressing into early literacy, and culminating in joyful, engaging classrooms. Throughout the journey, SEAL's four pillars anchor the work, helping educators integrate practices across English and students' home languages.
