Elevate Instruction. Empower Educators. Advance Educational Outcomes.

SEAL's **K-6 Full Model** is a multiyear professional development initiative designed to strengthen instruction for Multilingual Learners—and to transform entire school communities. This school-wide, deeply collaborative model engages all teachers, coaches, principals, district leaders and families in ongoing, meaningful training that emphasizes:

- **Cross-grade coherence**
- **Culturally responsive pedagogy**
- **Integration of oral language, literacy, and content knowledge**

Why Schools Choose SEAL's Full Model

- 
Sustainable Impact
 Develops teacher and leader capacity to support Multilingual Learners long after SEAL's direct involvement ends.
- 
Cross-School Alignment
 Builds shared practices between elementary schools and feeder preschools to create coherent learning pathways.
- 
Integrated Approach
 It's not just an intervention but a comprehensive system promoting support at every school level.
- 
Family Partnerships
 Strengthens connections between families and educators to support multilingual learners' success.
- 
Grounded in Research
 Focuses on oral and academic language development, contextualized learning, and home language development.
- 
Expanded Reach
 As staff capacity grows, more students benefit—year after year, beyond SEAL's engagement.
- 
Effective Teacher Training
 Delivers high-quality training, coaching, and collaboration that strengthens instruction.
- 
Lasting Change
 A multi-year partnership designed to build lasting, schoolwide transformation.

Invest in What Works: SEAL's Research-Based Learning Journey

SEAL's K-6 Full Model guides educators through a multi-phase professional learning cycle focused on strengthening language, literacy, and academic success for all students - especially Multilingual Learners. Each phase is anchored in research, aligned with California standards, and designed to empower educators.
