

EU Peers Summit 2025

14-15 October 2025 // Brussels

The EU Peers Summit 2025 consists of three parts, addressing practitioners and interested parties. It starts on 14 October with the practitioner's workshop (invitation only), allowing exchange among peers about One-Stop Shop's realities on the ground. The workshop will be complemented by the site visit of Brussels-Capital region's One-Stop Shop on 15 October in the morning (by registration).

The highlight of the EU Peers Summit will take place on 15 October 14:30-16:30, inviting all interested people to discover the benefits of One-Stop Shops and the Community (by registration). It is the opportunity to learn more about how OSS can boost residential building renovation, hear testimonials from members, and network among peers.

Part 1/3: Practitioners' workshop

Tuesday 14 October // 11h00-17h00 (on invitation)

Together with CINEA, EU Peers is organising a practitioners' workshop in Brussels for One-Stop Shops and supporters. We are offering the opportunity for hands-on exchange, knowledge sharing, and EU policy updates.

Participation is on invitation. [More information about the event](#)

Part 3/3: How cities and regions are benefitting from One-Stop Shops!

Wednesday 15 October // 14h30-16h30 (on registration)

As a city or region: Do you want to give your citizens access to ambitious, high quality, safe and simple energy renovation? Do you want to boost your economic growth? Do you want to implement local policies complying with EU and national energy and climate goals? Open a One-Stop Shop for home energy renovation!

Join this EU Peers event to explore with your peers why it is a good idea to open a One-Stop Shop; how to do it and what to expect on your home energy renovation journey. The annual EU Peers Summit is also the opportunity to hear more about the Community's success and network with peers.

Participation is on registration. [Get your ticket here!](#)
