

River Davis is an American multidisciplinary artist, living in Berlin, known for exploring the impact of post-internet culture on social consciousness. He has exhibited in Los Angeles, New York, Berlin, Hungary, Portugal, France, and Hong Kong, and is the youngest contributor to Bernar Venet's annual summer exhibition at the Venet Foundation. He has also collaborated with Bernar Venet to produce works that have been featured at Perrotin Paris, Guangdong Museum of Art, and the Art Museum Riga Bourse.
