

We help institutions make better material decisions.

Our value is not another choice. It is a better-supported choice.

INSTITUTIONAL FOOD-SERVICE CAPABILITY STATEMENT

FOUNDER-LED | WOMAN-OWNED | MINORITY-CERTIFIED

EXECUTIVE SUMMARY

Botanic Amenities supplies food-service products for high-volume hospitality and institutional operations. We select products for real-service performance, reliable supply, and what is likely to happen after use.

CORE COMPETENCIES

- Curated food-service products for high-volume operations
- Hospitality-informed procurement support
- Product-specific documentation and claim support
- Supply coordination through established purchasing channels
- Plant-based, renewable, recovered and reduced-persistence options where appropriate

ONE PRODUCT. ONE LOCATION. ONE EVALUATION.

DIFFERENTIATORS

- More than a decade serving food and beverage leaders in high-volume hospitality.
- Products curated across design, materials, sources, supply and likely outcomes after use.
- Founder-level accountability from product selection through ongoing supply.
