

# Hungary Missions

**2026 Camps: Week 1) June 24-July 5, and Week 2) July 1-12**

The Baptist Union of Hungary, in conjunction with local Hungarian churches, has asked **Hungary Missions** to bring English speakers to conduct English Bible camps in the summer. Local church members will work alongside you at the camp each day.

**You** are invited to make a difference on this cross-cultural mission trip. You will see and experience this beautiful country as no tourist ever will: living with a Hungarian family in their home and meeting their friends and family. Not only will you see Budapest, but also the large and small towns and villages outside the capital.

You will teach a Bible curriculum during the day camp. You will have your testimony translated to introduce yourself and communicate your faith. You will minister to the families in your partner church.

## The Cost

- The land cost from DFW for this 12-day mission trip is \$750. The cost to join for a second week is \$120.
- You will be responsible for obtaining your flight, or you can go through our travel agent—estimated cost: \$1,600.
- You may pay through your church or directly to Hungary Mission at 2413 Wells Ln, McKinney, TX 75072 or online at [www.hungarymissions.com](http://www.hungarymissions.com)
