## DESCRIPTION

This lip stick deeply nourishes, moisturizes and smoothens the lips for 24/7 moisture, day and night.

Formula enriched with **SHAROHYAL LW** and **HYDRESIA SF2** with softening, protective properties.

## HOW TO USE

- 1 Apply the balm to the lips, starting from the center of the mouth and moving to the corners.

## PROCESSING GUIDELINES

Heat ingredients of **PHASE A** at 75–80 ° and stir till homogeneous. Cool down to 55–60 °C. In a separate vessel mix for 20 minutes at 400 rpm ingredients of **PHASE B**, add **PHASE B** to bulk and mix till homogeneous. Pour into molds at 55 °C and let cool.

### PHYSICAL-CHEMICAL DATA

Appearance:  
Solid stick

Color:  
White to Ivory
