## PHYSICAL-CHEMICAL DATA

**Appearance:**  
Clear Oil

**Color:**  
Light Yellow

## DESCRIPTION

This body oil gives a pleasant silky effect on body skin.

SHAROFEEL DS is an emollient with an exceptional feel on the skin.

SHAROFEEL OLIVE is rich in squalene and vegetable sterols; it activates the skin metabolism, increasing the levels of new collagen.

Ar|The line applies the principles of Aromatherapy and Neurocosmetics to skin treatments with consequent beneficial effects on the mind and spirit through a holistic approach. SHAPE THERAPY LT6 is dedicated to applications with firming, lipolytic properties.

## HOW TO USE

Apply on clean skin and massage till fully absorbed

## PROCESSING GUIDELINES

Mix ingredients of PHASE A one by one till clear oil.
