COME TO SUCCESS

IN YOUR EYES, WHAT IS
TRUE SUCCESS?

WHO ARE SOME OF THE MOST SUCCESSFUL PEOPLE YOU KNOW?

Did you know?

The Holy Prophet Muhammad (saw)
was ranked as the
MOST successful person in all of
human history

by a famous American author named
Michael H. Hart in his book

**"The 100: A Ranking of
the Most Influential
Persons in History."**

‘Why do you think Michael Hart chose the Holy Prophet Muhammad (sa) as the most influential person in history?’

- What makes the Holy Prophet Muhammad (sa) more successful than other successful people in history like Alexander the Great, Michael Jordan, Bill Gates, etc?

Successful Rolemodel in every aspect of life

The Holy Prophet Muhammad (sa) was not only successful in one aspect of life but he is the perfect rolemodel in every respect. He was a successful father, husband, friend, military leader, statesman, reformer, etc.

The Promised Messiah (as) states:

“With regards to the Holy Prophet (saw), Allah the Exalted has said that:

‘And you do surely possess high moral excellences.’

In every aspect of life, the Holy Prophet (saw) demonstrated the highest example of his moral qualities, which is obligatory for a believer to follow according to his capacity and capability.”

Greatness of the Holy Prophet (saw)

The Promised Messiah (as) states:

“Is it not a most wonderful thing to have happened that in an age when all the great nations of the world possessed a plenitude of financial, military and intellectual means, a mere penniless orphan, who was powerless, helpless, unlettered and unaided, brought forth such resplendent teachings which, with their conclusive arguments and irrefutable proofs, dumb-founded every opponent?

It also exposed the mistakes and faults of such scholars who in their conceit boasted of being great philosophers and men of wisdom. In spite of his being poor and helpless, he rose to great power and dethroned many a mighty king and in their place installed the poor.

If this was not from Allah, what else was it? To conquer and excel the whole world in wisdom, in knowledge and in strength, can all this be accomplished without the help of Allah?”

(Braheen Ahmadiyya: Roohani Khaza'in, Vol.1, p. 191)

Let's see what the Holy Qur'an mentions:

قَدْ أَفْلَحَ مَنْ تَزَكَّى

"Verily, he truly prospers who purifies himself"

(Surah al-A'la, Ch.87: V.15)

What is

'Tazkiya'?

What is Tazkiya?

Tazkiya means to purify oneself, improve one's morals and spirituality with the ultimate goal to develop a relation with Allah.

Hence, the Holy Quran tells us that to be successful we must continue to purify ourselves, improve our morals and try to develop a relationship with Allah.

Remember this is a gradual process.

But how do we purify ourselves?

***How can we
follow this?***

Muhammad (sa) - The Great Purifier

The Holy Quran States:

He it is Who has raised among the Unlettered people a Messenger from among themselves who recites unto them His Signs, and **purifies them**

The Promised Messiah (as) states:

Treading upon the path that the Prophet Muhammad (peace and blessings be upon him) laid out before mankind even for ten days ignites such spiritual light within a person that similar effects cannot be attained through the efforts of a thousand years before his advent.

**WE CAN ONLY PURIFY OURSELVES,
AND HENCE BE SUCCESSFUL, BY
LEARNING ABOUT THE LIFE OF THE
HOLY PROPHET MUHAMMAD (SA) AND
FOLLOWING HIS EXAMPLE IN EVERY
FACET OF LIFE.**
