A MESSAGE FROM THE OFFICE OF THE EXECUTIVE DIRECTOR (OED)

Congratulations to the Directors, Management and the Staff on meeting the Annual Report due date and to the Office of the Executive Director (OED), Operations and Finance Director, for a successful Audit approval. It was nice to have the reports completed before the summer months and staff holidays begin. SSA Board of Directors (BOD) meeting was hosted on Wednesday, July 8, 2026 at building #8B, Government House boardroom where the final reports were presented, adopted, and approved.

The OED, SSA BOD and staff are preparing for the upcoming Chamber of Commerce - Battle of the Businesses baseball tournament hosted on Tuesday, August 11 at Tzeachten sports field. They will be playing for a charity of choice with the list selected by the Chilliwack Chamber of Commerce.

The OED and SSA BOD will be attending the Chilliwack Ford Golf Tournament on August 20, 2026 at the Sandpiper golf course. Proceeds from this tournament help support the SSA Mémihelhtel Youth Mentorship Program.

XYÓLHMET YE SYÉWIQWÉLH (Taking Care of Our Children) – [Community Update](#) **Investigating Unmarked Graves at Multiple Sites Associated with Three Former Residential Schools in S'ólh Téméxw**

Stó:lō Nation Chiefs' Council (SNCC) is directing a broad-based and inclusive initiative to investigate missing children and potential unmarked graves related to three former Residential Schools and one Federal Indian Hospital within S'ólh Téméxw: All Hallows Boarding School in Yale, Coqualeetza Industrial Institute and Coqualeetza Hospital in Chilliwack, and St. Mary's Residential School in Mission.

The investigation team has been conducting archival, oral historical, and on-site remote sensing work since the fall of 2021. We are also working with local Stó:lō First Nations including Sqwá, Sq'ewqéyl, and Ch'íyáqtel regarding burials known to have been relocated to each of their cemeteries from the Coqualeetza grounds.

RESIDENTIAL SCHOOL UPDATE:

This CBC article recently came out about the destruction of residential school records of abuses taken during the Independent Assessment Process. If Survivors provided a statement as part of the IAP, their records will be destroyed in 2027 unless they request their files for themselves or consent to send them to the National Centre

for Truth and Reconciliation. This would be good information for you to know and be able to share with anyone who this may affect. Contact Kathleen.Bertrand@stolonation.bc.ca with any questions.
