

Retro-Modern Agility

The Keeway Shiny 50 reimagines urban commuting with timeless style and lightweight practicality. Its sleek bodylines and chrome-accented details pay homage to classic scooter design, while LED lighting, alloy wheels, and a featherlight 108kg frame ensure confidence and control through even the busiest city streets. Compact yet commanding, the Shiny 50 blends vintage charm with contemporary performance, making it the ideal companion for riders who want their commute to stand out.

01 Signature LED Lighting

Distinct LED headlight with slim, neatly styled indicators and seamless rear lighting delivers clear, classic visibility from every angle.

02 Digital LCD Display

Circular chrome bezel with a vivid backlit screen delivers clear ride info at a glance, complete with clock and subtle indicator lights.

03 All Weather Control

Alloy wheels and versatile tires provide steady control in changing conditions, while strong braking inspires confidence on every ride.

04 Seat Built for Comfort

Dual finish seat with a diamond-patterned rider section and a smooth passenger area, designed for long-lasting comfort in the city.

05 Convenient Storage

Integrated under-seat compartment provides easy access for daily carry items, all tucked neatly out of sight.

06 Retro-Inspired Style

Chrome accents, clean lines, and classic proportions give the Shiny 50 its timeless character with a modern edge.

07 Smooth and Efficient Engine

The 49.4cc engine delivers steady power with reliable performance and impressive fuel efficiency for extended city fun.

08 Lightweight and Nimble

Compact build makes it easy to maneuver through crowded streets while staying steady and predictable.

09 Twist and Go Transmission

A simple automatic system makes every ride effortless. Just start, twist, and enjoy the road.

10 Everyday Reliability

A 1.5-gallon fuel tank, smooth suspension, and approachable design keep you moving comfortably and stress free on daily rides.
