Here's a step-by-step guide to creating your own fancy chocolate bar wrapper: 1. Place the foil wrapping dull side down on the table and center your chocolate bar on top. 2. Fold and crease the edges of the chocolate bar along both sides. 3. Fold down the bottom and wrap like a gift, pressing in the two flaps and folding the edge up. 4. Apply adhesive to the edge and press down. Repeat with the top side. 5. Center the covered side of the foil-wrapped chocolate bar on top of the paper wrapper, fold the bottom edge up, and attach with tape. 6. Fold the top edge down, ensuring your sides are lined up, and attach with tape. You now have a beautifully wrapped chocolate bar!
