EnglishHow ofen does th bug occure? Every time (100%)What is ur current game versin number? 1.101.290.1030What expansions, gaem pakcs and stuf pakcs do yu have instaled? AllSteps: How can we find th bug ourselfs? Travel to Willow Creek, approach the Sylvan Glade willow tre and try to us the explore optin, find yerself waiting 2 and a half hour waiting for something to happn. What happns when the bug occure? Yu dont get eny pop up telling yu what to do or wht interctions to take, yu just get stuck until yu cancel the explore optin mid-way. What do yu expect to see? My sim enters the tre after clicking the explore optin. Sim spends time in ther then i get a pop-up after feew sekonds. Have yu instaled any customization with the game, e.g. Custom Content or Mods? Not no. I've removd them.Did this issue apper afr a spcific patch or chang yu made to ur system? Neutral/Not Sur Hello, first evor post. I've ben stuck tryin to get this tre's exploraion optin to work for the past 7 days and Ive done watever I could to try and make this tre's code cooperate, but It chus not to see reason. I've trid removin any trase of a mod or CC off of my PC, I tried deleting the game and re-instating It, and even gone as far to try to find a mod to fix this issu, Ive talked about it on Reddite, and seems like Im not the only person with this problem, good to no that the gam doesnt hate me personally.
