# Gluten Free Seasonings

## Why does Leonards mainly provide Complete Mixes?

This comes down to one of our founding principles, simplicity. All Leonards products are designed to be as simple and efficient to use as possible. This means you can hand a bag of Leonards Sausage mix to anyone and they can, theoretically, make the perfect sausage (But we can't help you with the linking...).

But if you want a seasoning, where you can flex and adjust the rusk you add we can help too. We have this great allergen free option or:

### Gluten Free Seasoning

Completely allergen free, this gluten free and preservative free seasoning mix comes in a handy tub

Allergen Free

*Did you know we offer bespoke blending to your exact requirements?*

- **Do you have a specific blend you are currently spending hours making yourself?** Wouldn't it be nice if we made it for you, packed it exactly as you need it and deliver it to your door.
- **Do you have a customer wanting an unusual flavour that you can't find a mix for?** Well let us know and our dedicated New Product Development team will come up with a solution for you.
- **Love the flavour of the Lebanese 7 Spice but want it Gluten Free / without onion / without preservative?**  
Easy - we can help with that.
