PFAS Declaration for Packaging Materials

Regulation (EU) 2025/40 – Packaging and Packaging Waste Regulation (PPWR)

Declaration

Weald Packaging Supplies Ltd hereby confirms that all of our product range **do not contain intentionally added per- and polyfluoroalkyl substances (PFAS)**.

Based on supplier declarations, technical specifications, and supplier assurance no PFAS-based substances, coatings, treatments, or processing aids are intentionally used in the manufacture of the packaging materials supplied by our company.

Accordingly, the packaging materials are intended to comply with the applicable requirements of **Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR)** relating to PFAS restrictions in food-contact packaging, where applicable.

This declaration is based on:

- Documentation and declarations provided by our packaging material suppliers.
- Material specifications and compliance information maintained within our quality management system.
- Ongoing supplier monitoring and change management procedures.

This declaration is made in good faith based on information available at the date of issue. Should there be any changes to the composition of the packaging materials or to applicable legislation that affect this declaration, an updated declaration will be issued.
