

Lesson Internalization Worksheet

DECODING GROUP

	Irregular Words	Word Analysis	Text Reading	Encoding/Spelling
What are some barriers to success? What are some solutions to those barriers?				
What tools will I need to make to support the students as they try this work?				
Kids will not master anything instantly, so how will I know if I am being successful?				
What do I need to understand in order to teach this?				
How can I encourage students to engage in academically productive talk (APT)?				

Lesson Internalization Worksheet

FLUENCY GROUP

	Build Background	Automaticity Practice	Text Reading	Respond to Text
