"GREAT WALL"

Employee Legacy Program

Honoring those who served the community

Legacy Tile

Honor your treasured memories working with the South Pasadena Police Department by purchasing a personalized commemorative "Legacy Tile."

Your personalized tile will include your name, appointment year, serial number, job title (Police Officer, Police Assistant, Police Clerk, Chaplain, Jailer, etc.) and be a visible landmark of your dedication to the community for all current and future employees to admire. If your serial number is not known then the year "1888" (year of city's incorporation) will be used.

Legacy Tiles are open to all past and present members in good standing with the Department.

Legacy Tiles will be placed at the rear entrance hallway into the police station.

Keepsake Tile

To keep your memories at home, a special "Keepsake Tile" can also be purchased for you to keep. Keepsake Tiles are exact duplicates of the Legacy Tiles which you can proudly display at your home.

Keepsake Tiles are only available as an add on to Legacy Tiles and cannot be purchased individually.
